

The Hasidic Anthology

TALES and TEACHINGS of THE HASIDIM

*Translated from the Hebrew, Yiddish, and
German, and selected, compiled, and arranged*

by

Louis L. Newman

"This is a precious treasury of Jewish thinking and feeling. When a contemporary has the feeling, when we have forgotten, of spiritual and moral communion with the great Hasidim of the past."

"This is a remarkable book—a valuable treasure chest. It shows all our suffering, with other spiritual lives, as in the old days, all our Biblical roots, the gathering of our people, with their own scholarship and knowledge, and their wisdom. It is a book of great importance and a valuable addition to the Jewish literature of our time."

—Isidor Feinstein Harry
