Healing Spirit Perri Vincent L.,1901 *The Healing Spirit* Vincent L. Perri,2019-06-15 The Healing Spirit explores the idea that there is healing in dialogue Using examples from Judaic Christian and Buddhist philosophies and drawing on his personal and professional experiences Dr Perri explains how he believes the healing spirit emerges when two people unconditionally encounter each other Introducing his concepts of the invisible matrix archetypal language and the naked essentials of relation he draws on the works of Martin Buber Carl G Jung and Abraham Joshua Heschel and their germinal contribution to the topic The Healing Spirit can be a valuable guide to anyone in the healing or helping professions or anyone who simply wishes to help another The Healing Spirit explores many of the personal encounters of people in the depths of sorrow and how meaningful interpersonal dialogue generated the essence of spirit in their lives Dr Perri embraces the idea that spirit emerges both within and between us when spirit is beckoned It is the spirit that heals It is The Healing Spirit

The Healing Spirit Leo O. Stossich,2019-02-26 This book traces the journeys of seven victims of childhood sexual abuse who have experienced recovery through the activity of the Holy Spirit within the context of the local church These recovered victims have been enabled to move beyond the devastation of abuse by others whom they trusted to a place of emotional and psychological stability appropriate sexual intimacy with their spouses and a growing level of spiritual maturity While the Christian community has been slow to grasp the severity and extent of the problem or to provide the healing resources of the gospel some victims have found recovery in local churches The author has undertaken in depth interviews to elicit and explore the narratives of their journeys from woundedness to well being These narratives are an important source of information on the activity of the Holy Spirit in healing While the Spirit is an entity hidden to us the author has explored the experiences of seven recovered victims to disclose meaning for the work of the Spirit in all areas of Christian ministry **In**

In the Spirit of Jesus Miriam Therese Winter,2020-08-11 What can one say about Jesus that would add new insight to a Christian s understanding of the man from Galilee Consider this The one we call upon to be a harbinger of peace and an example of justice and mercy is often the reason why people today continue to divide and exclude Instead of seeing Jesus as a unifying force for all Christians everywhere bigotry and bias expressed in multi faceted ways in the name of Jesus stifle the transformative power inherent within our faith traditions We have rejected condemned killed one another based on our interpretations of the one we call Prince of Peace We need a new narrative one that acknowledges there is more to the story of Jesus of Nazareth his life and his mission than what we profess and proclaim Without a more inclusive and compassionate understanding of the one we know as Jesus not only churches but our beloved planet with all of its inhabitants and nature s graced diversity cannot will not survive Jesus is an example of how we humans can continue to be a beneficial link in the evolutionary chain His living spirit a holy Spirit is calling to us all
