Landrum, 2003-09 Professor Landrum begins with biographical overviews of a dozen of the most interesting and powerful entrepreneurs of recent vintage He identifies their unique eccentricities and then shows the personality traits that they all have in common These are the attributes that constitute the genius of the great entrepreneur To enable you to compare your personality attributes with those of the great entrepreneurs who have achieved billionaire status Professor Landrum has included in this book a self assessment exercise Book jacket      Memoirs of My struggles Neil Chuma, 2016-11-23 The war on drugs has created many problems in our society This book is an autobiographical alternative account of the author's life and how he came to face one of the most difficult laws ever imposed The book explores many themes such as racial identity prison crime and punishment poverty sex love drugs politics religion philosophy death and human identity The author delves deep into many themes

**Mark Twain's Literary Resources** Alan Gribben, 2024-10-15 Dr. Alan Gribben, a foremost Twain scholar, made waves in 1980 with the publication of *Mark Twain's Library*, a study that exposed for the first time the breadth of Twain's reading and influences. Prior to Gribben's work, much of Twain's reading history was assumed lost, but through dogged searching, Gribben was able to source much of Twain's library. *Mark Twain's Literary Resources* is a much-expanded examination of Twain's library and readings. Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions. This volume, long-awaited, is an in-depth and comprehensive accounting of Twain's literary history. Each work read or owned by Twain is listed along with information pertaining to editions, locations, and more. Gribben also includes scholarly annotations that explain the significance of many works, making this volume of *Mark Twain's Literary Resources* one of the most important additions to our understanding of America's greatest author.

Historical Dictionary of Singapore Justin Corfield, 2010-12-02 In spite of Singapore's small size, it has long had a major impact on the world because of its geographical location and its wealth. The British initially made the island a major port for the shipping of goods, and later as an airline hub for the region. These factors, along with a steady government, have helped to contribute to the country's affluence. This multicultural, multiracial, and multi-religious island nation is the envy of many countries in the world, which have tried to emulate the economic success of Singapore. The new edition of the *Historical Dictionary of Singapore* has been completely rewritten since the first edition was released 20 years ago. It relates the history of this country through a chronology, an introductory essay, an expansive bibliography, and over 500 cross-referenced dictionary entries on significant persons, events, places, organizations, and other aspects of Singapore history from the earliest times to the present.
