instant solution of and relief in their problems and seek proper guidance shall find this book a boon **In the Heart of the World** Mario Mantese, 2015-12-28 This uncommon book is a journey of discovery in the truest sense of those words a journey to unseen inner worlds Mario Mantese's thorough investigation of internal frontiers and parallel worlds are depicted here and the reader is awe struck by his extraordinary sensitivity and his almost unlimited spiritual capabilities and how he employs them to cross over secret invisible boundaries What he saw experienced and had to endure is fascinating and simply inconceivable for the human intellect His contacts with various masters and the manner in which these events occurred are deeply touching and invite the reader into unfathomable depths of our existence This book is certainly one of the most unusual autobiographies ever to be published in the field of spiritual literature **The Heart of Work SV**

Nathan, 2022-12-26 Work overall is about getting things done and the heart does not normally figure in it But in my many years of work I have seen that the heart has a huge influence on what happens to us what happens around us and what propels us to action Most often people believe building a career is about setting targets and pursuing them relentlessly In this pursuit people sometimes don't mind taking shortcuts and stepping on others' toes to move up But those who pursue such a path often forget that the values one upholds in life often carry over into work as well and it is these values that describe a leader the best humility an ability to listen to others an emotional connect with those you work with and building a culture that goes beyond just single minded focus on targets and revenue In *The Heart of Work SV* Nathan takes us through the length and breadth of his long career that defines work success and happiness Nathan captures pivotal moments that left a deep imprint on him at various points and shaped his life and career These insights told with authenticity and coupled with the benefit of hindsight provide great learning opportunities for readers Narrated in a non preachy jargon less manner the stories in this book will help readers seek and discover their own anchors unlocking their true potential Transformation

of the Heart Judy Warner, 1990-07-01 This wonderful book is a collection of stories by people whose lives have been transformed by Sathya Sai Baba Written with warmth and compassion these stories provide a unique and personal glimpse of Sai Baba one of the most impressive men of miracles to appear for centuries These personal narratives written by people who share our normal everyday lives show how true spiritual awakening occurred for each of them A must have introduction to the basic teaching of Sathya Sai Baba

Out from the Heart James Lane Allen, As the heart so is the life The within is ceaselessly becoming the without Nothing remains unrevealed That which is hidden is but for a time it ripens and comes forth at last Seed tree blossom and fruit is the fourfold order of the universe From the state of a man's heart proceed the conditions of his life his thoughts blossom into deeds and his deeds bear the fruitage of character and destiny Life is ever unfolding from within and revealing itself to the light and thoughts engendered in the heart at last reveal themselves in words actions and things accomplished As the fountain from the hidden spring so issues man's life from the secret recesses of his heart All that he is and does is generated there All that he will be and do will take its rise there Sorrow and gladness

suffering and enjoyment hope and fear hatred and love ignorance and enlightenment are nowhere but in the heart they are solely mental conditions Man is the keeper of his heart the watcher of his mind the solitary sentinel of his citadel of life As such he can be diligent or negligent He can keep his heart more and more carefully he can more strenuously watch and purify his mind and he can guard himself against the thinking of unrighteous thoughts this is the way of enlightenment and bliss On the other hand he can live loosely and carelessly neglecting the supreme task of rightly ordering his life this is the way of self delusion and suffering Let a man realize that life in its totality proceeds from the mind and lo the way of blessedness is opened up to him For he will then discover that he possesses the power to rule his mind and to fashion it in accordance with his Ideal So will he elect to strongly and steadfastly walk those pathways of thought and action which are altogether excellent to him life will become beautiful and sacred and sooner or later he will put to flight all evil confusion and suffering for it is impossible for a man to fall short of liberation enlightenment and peace who guards with unwearying diligence the gateway of his heart *Divine Grace Of Shri Shirdi Sai Baba* Dr. S.
