Millgram, 2015-03-21 This work examines the lives of four female characters in the Bible Naomi Ruth Tamar and Esther Their stories differ significantly from those of most female Biblical characters in that each woman is depicted without a dominant male companion and each is featured in the Bible s more secular texts The author evaluates each character s role as a female protagonist and demonstrates how each story represents an innovative view of religion and a revisionist evaluation of women s roles Finally the author proposes that these narratives may have been authored by women Appendices provide additional information about Boaz Judah and Tamar Greek versions of the Book of Esther Mordecai s decree and literacy in ancient Israel Includes a glossary and timeline

Dr. Mahmoud F. Al-Ali,2013-11-14 The Arabian Nights is a composite work consisting of popular stories originally transmitted orally and developed during several centuries with material added somewhat haphazardly at different periods and places This study was devoted to the impact of The Arabian Nights on four novelists of the nineteenth century Charlotte Bront Charles Dickens George Meredith and Robert Louis Stevenson These authors were selected on the ground of their life spans which encompassed almost the whole century Because they are among the masters of the English novel it is

reasonable to assume that they did not content themselves with mere imitations resulting in pseudo oriental tales Their original creations assimilated the influences from The Arabian Nights forming new unified structures with interwoven references and allusions which are to be redetected *Billboard* ,2009-04-18 In its 114th year Billboard remains the world s

Handsome Rob Baron had a keen eye for business yet maintained a conservative approach to life His wife Julia with her fiery red hair and emerald green eyes possessed a marketing mind and a writer s sense of creativity which caused her to view life from a different perspective They pooled their resources and entered a new chapter of their lives as owners of The Madera Market The pair soon discovered that their dream of business ownership had turned into a nightmare so powerful it kept drawing Julia deeper and deeper towards its vortex one horrific dream sequence at a time There were singular events in Julia Baron s life that seemed innocuous leaving little cause for her personal concern But little did Julia realize that collectively these events could and would alter her life and disrupt the usual customary and orderly existence she shared with her husband and family Most people think they live uneventful average lives They think nothing out of the ordinary could ever happen to them Julia Baron was like everyone else She was just an ordinary person with one exception her life just happened to take some extraordinary turns leading her on a journey far removed from her sheltered world into a dark underworld of secrets and perversions far beyond her wildest imagination Julia Baron found herself amidst the underbelly of society where subcultures thrived on drugs promoted prostitution and pornography and were capable of many things even murder She had become an unwilling player in a game that had no rules and knew no boundaries and her only way to gain back control of her life was to find the Pieces of the Puzzle
