*The Hidden Waterfall* Marya Zaturenska, 1974 When David gets in trouble he has excuses right up until bedtime when he realizes he really is sorry *The New Anthology of American Poetry* Steven Gould Axelrod, Camille Roman, Thomas J. Travisano, 2003 The book includes over 600 poems by 65 American poets writing in the period between 1900 and 1950

**New Selected Poems of Marya Zaturenska** Robert Phillips, 2001-12-01 Praised for her lyricism and mastery of meter and rhyme Marya Zaturenska's poetry lit up American literature in the 1900s But with the giddy 1920s Zaturenska's traditional lyric grace and penchant for artifice rendered her pass By her mid thirties Zaturenska had succumbed to emotional and physical illness At the same time her work blossomed and critics acclaimed her for elevating lyric conventions to new plateaus In 1937 she won a Pulitzer Prize for her magical collection *Cold Morning Sky* She was only thirty six years old at the time Critics pointed out that Zaturenska had assimilated lyric conventions and made them original and new What is so fine about these poems is that the control implicit in them does not lead to sterility or to false emotion wrote the New York Times Book Review She is a mystic but how neatly she refines the word This new edition consists of over one hundred poems and twenty translations drawn from eight previous books Early poetry from her teenage years reveals Zaturenska's budding talent and an introduction by fellow poet and close friend Robert Phillips places this gifted writer firmly in both the historic and lyric tradition

a story to tell is the ancient burden of craftsmen and it is one of the characteristics of the quest to find oneself since a journey requires recognition of the aspects of self and anti self Like the speaker of his poems W B Yeats has something to tell His poetry draws nourishment from the battle between the dichotomies of self and anti self human and divine mind and intellect past and present and body and soul This book covers a selection of Yeats s poems from 1889 to 1939 discussing them within the frame of the quest to find oneself and its gyroscopic transformation The book illustrates that self is not a single entity but has multiple layers and it can be found within the quest in which it experiences a simultaneous transformation with every phase of the antithetical structure of gyroscopic movements In addition the way of the quest is cyclical however it is not a vicious cycle since in life every end is a phase of a beginning and every beginning is a phase of an end **Michigan Quarterly Review** ,1976
