esoteric qualities Cho focuses on the material and mundane daily practices that are indispensable to the existence and persistence of such a community and shows how deeply gendered these practices are Second against the assumption that Tibetan politics toward the Chinese state is best understood as rebellious incendiary and centered upon Tibetan victimhood the nuns demonstrate how it can be otherwise Tibetan politics can be unassuming calm and self contained and yet still have substantial political effects As Politics of Tranquility shows the nuns in Yachen Gar have called forth an alternative way of living and expressing themselves as Tibetans and as female monastics despite a repressive context **Choosing Simplicity** Venerable Bhikshuni Wu Yin,2001-01-01 Choosing Simplicity discusses the precepts and lifestyle of fully ordained nuns within the Buddhist tradition The ordination vows act as guidelines to promote harmony both within the individual and within the community by regulating and thereby simplifying one s relationships to other sangha members and laypeople as well as to the needs of daily life Observing these precepts and practicing the Buddhadharma brings incredible benefit to oneself and others Since the nuns precepts include those for monks and have additional rules for nuns this book is useful for anyone interested in monastic life As a record of women s struggle not only to achieve a life of self discipline but also to create harmonious independent religious communities of women Choosing Simplicity is a pioneering work
