## **Six More English Towns:**

**The Reformation in English Towns, 1500-1640** John Craig, 1998-08-24 This volume seeks to address a relatively neglected subject in the field of English reformation studies the reformation in its urban context Drawing on the work of a number of historians this collection of essays will seek to explore some of the dimensions of that urban stage and to trace using a mixture of detailed case studies and thematic reflections some of the ways in which religious change was both effected and affected by the activities of townsmen and women *Fatal Colours: Towton 1461-England's Most Brutal Battle* George Goodwin, 2012-03-29 The tumultuous reign of Henry VI and its climax in the carnage of Towton the bloodiest battle fought on English soil The battle of Towton in 1461 was unique in its ferocity and brutality as the armies of two kings of England engaged with murderous weaponry and in appalling conditions to conclude the first War of the Roses Various described as the largest longest and bloodiest battle on English soil Towton was fought with little chance of escape and none of surrender Yet as if too ghastly to contemplate the battle itself and the turbulent reign of Henry VI were neglected for centuries Combining medieval sources and modern scholarship George Goodwin colorfully re creates the atmosphere of fifteenth century England From the death of the great Henry V and his baby son s inheritance first of England and then of France Goodwin chronicles the vicious infighting at home in response to the vicissitudes of the Hundred Years War abroad He vividly describes the pivotal year of 1450 and a decade of breakdown for both king and kingdom as increasingly embittered factions struggle for a supremacy that could be secured only after the carnage of Towton *Fatal Colours* includes a cast of strong and compelling characters a warrior queen a ruthless king making earl even a papal legate who excommunicates an entire army And at its center is the first full explanation for the crippling incapacity of the enduringly childlike Henry VI founder of Eton and King s College Cambridge With a substantive and sparkling introduction by David Starkey *Fatal Colours* brings to life a vibrant and violent age **Six More English Towns** Alec Clifton-Taylor, 1987-05-01

**The Image of Georgian Bath 1700-2000** Peter Borsay, 2000-07-06 This interdisciplinary study explores the evolution structure and uses of the image of Georgian Bath from its genesis in the eighteenth century to its renaissance in the twentieth century In recent decades there has been both a popular resurgence of interest in heritage and tradition and a growing academic awareness of the power of imagery in shaping the lives of individuals and societies There is perhaps no city in Britain so saturated in history and layered with historic imagery as Bath It therefore provides an ideal case study to investigate the dynamic fusion and impact of the forces of past and representation The dominant perception of Bath today is that of a classical and particularly Georgian city In this stimulating and scholarly study Peter Borsay examines the construction and development of this image Its principal components biography and architecture are explored together with the media through which it was constructed and transmitted as well as its commercial social political and psychological uses Dr Borsay concludes by relating the findings for Bath to current debates on towns heritage and the nature of history

**Berwick-upon-Tweed** Adam Menuge, Catherine Dewar, 2015-04-01 Nikolaus Pevsner described Berwick upon Tweed as one of the most exciting towns in England Nikolaus Pevsner *Buildings of England Northumberland* 1957 88 a place where an absorbing historical tale can still be read in the dense fabric of its old streets and buildings It attracts not only day trippers and holidaymakers but also new residents who have learnt to appreciate the spirit of the place But outsiders all too easily confine their attention to the space within the impressive Elizabethan ramparts while local people are sometimes unaware or dismissive of the wider significance of the very things that they know so intimately Berwick deserves to be known better and to be celebrated not just as a vivid reminder of what many other towns were once like but more especially as something unique and distinctive shaped by a peculiar combination of historical and geographical circumstances This distinctiveness is acutely apparent as one passes between Berwick and the contrasting but historically intertwined settlements of Tweedmouth and Spittal This book presents something of the wealth of historic interest encapsulated in Berwick Tweedmouth and Spittal and explains how these places came to assume such varied and distinctive forms Above all it urges that a town anxious for stability and prosperity in the future must know where it has come from as well as where it is going *The Lancet* ,1888
