A Conservative History of the American Left Daniel J. Flynn,2008-04-29 From Communes to the Clintons Why does Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it s okay to over represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J Flynn uncovers the surprising origins of today s Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America s shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left s amnesia is convenient Who wouldn t want to forget an ugly history that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more

innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn't pause to learn from its past mistakes So it goes that would be revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits perverts and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable **British Book News** British Council,1992 Includes no 53a British wartime books for young people

later and the series of masterworks starting in the mid eighties *The Counterlife* *Patrimony* *Operation Shylock* *Sabbath's Theater* *American Pastoral* *The Human Stain* Roth has produced some of the great American literature of the modern era And yet there has been no major critical work about him until now Here at last is the story of Roth's creative life *Roth Unbound* is not a biography though it contains a wealth of previously undisclosed biographical details and unpublished material but something ultimately more rewarding the exploration of a great writer through his art Claudia Roth Pierpont a staff writer for *The New Yorker* has known Roth for nearly a decade Her carefully researched and gracefully written account is filled with remarks from Roth himself drawn from their ongoing conversations Here are insights and anecdotes that will change the way many readers perceive this most controversial and galvanizing writer a young and unhappily married Roth struggling to write a wildly successful Roth after the uproar over Portnoy working to help writers from Eastern Europe and to get their books known in the West Roth responding to the early Jewish and the later feminist attacks on his work Here are Roth's family his inspirations his critics the full range of his fiction and his friendships with such figures as Saul Bellow and John Updike Here is Roth at work and at play *Roth Unbound* is a major achievement a highly readable story that helps us make sense of one of the most vital literary careers of the twentieth and twenty first centuries **The Encarta Book of**
