Social Justice In The Hebrew Bible What Is New And What Is Old:

Social Justice in the Hebrew Bible Bruce V. Malchow, 1996 Malchow demonstrates that Israel did not originate the concept of social justice Rather it drew its resources for overcoming injustice from Near Eastern thought on the subject By combining its own ideas of social justice with those of its neighbors Israel s people fought injustice with what was new and what was old Social Justice and the Hebrew Bible, Volume Two Norman K. Second Bills identifies an educational agenda woven throughout the text The narrative gives heightened attention to the way yhw h catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhw h s justice These interpretative lenses of creation theology and pedagogy help to explain why Israel s salvation and shaping embody a programmatic applicability of yhw h s justice for the wider world This volume will be of substantial interest to divinity students and religious professionals interested in the themes of exodus exile and return *The ^AOxford Handbook of Biblical Law* Pamela Barmash,2019-10-10 The Oxford Handbook of Biblical Law provides a state of the art analysis of the major questions principles and texts pertinent to biblical law The thirty three chapters written by an international team of experts deal with the concepts significant texts institutions and procedures of biblical law the intersection of law with religion socio economic circumstances and politics and the reinterpretation of biblical law in the emerging Jewish and Christian communities The volume is intended to introduce non specialists to the field as well as to stimulate new thinking among scholars working in biblical law **The Prophetic Voice of Amos on Contemporary Social Justice** Patrick Kofi Amissah,2023-09-14 This volume comprehensively examines all texts dealing with social justice in the Prophecy of Amos It also provides evidence of contemporary systemic social injustice The volume then reflects on how biblical social justice is relevant to the contemporary quest for social justice This volume demonstrates that irrespective of the hermeneutical challenges the principles gleaned from the pages of the Hebrew Bible can dialogue effectively with modern issues and deduce living principles that could enable us to deal with issues that confront us today It is thus a framework by which biblical social justice illuminates the contemporary quest for social justice *Yahweh is Exalted in Justice* Thomas L. Am I Still My Brother's Keeper? Robert Wafawanaka, 2012-04-05 What does the Bible say about poverty and our responsibility toward the poor This book examines the concept of brother's keeper in both the ancient Near East and the biblical world Wafawanaka contends that biblical Israel failed to play the rightful role of brother's keeper and claims that we too have strayed from this responsibility Am I Still My Brother's Keeper reveals what we can learn about poverty from a biblical context and how we might appropriate those insights to fight poverty in our own communities Beginning with the biblical mandate in Deuteronomy 15 Wafawanaka surveys the Hebrew Scriptures and challenges those with power and resources to reevaluate their response to the poor Failure to revisit the notion of brother's keeper threatens to create a society that is increasingly disenfranchised and unjust A glance at our world in light of biblical history suggests that poverty is an endemic global problem that requires a radical global solution
