Social Principles Of Jesus:

The Social Principles of Jesus Walter Rauschenbusch, 2016-04-12 This book is not a life of Christ nor an exposition of his religious teachings nor a doctrinal statement about his person and work It is an attempt to formulate in simple propositions the fundamental convictions of Jesus about the social and ethical relations and duties of men Our generation is profoundly troubled by the problems of organized society The most active interest of serious men and women in the colleges is concentrated on them We know that we are in deep need of moral light and spiritual inspiration in our gropings There is an increasing realization too that the salvation of society lies in the direction toward which Jesus led And yet there is no clear understanding of what he stood for Those who have grown up under Christian teaching can sum up the doctrines of the Church readily but the principles which we must understand if we are to follow Jesus in the way of life seem enveloped in a haze The ordinary man sees clearly only Christ's law of love and the golden rule This book seeks to bring to a point what we all vaguely know It does not undertake to furnish predigested material or to impose conclusions It spreads out the most important source passages for personal study points out the connection between the principles of Jesus and modern social problems and raises questions for discussion It was written primarily for voluntary study groups of college seniors and their intellectual and spiritual needs are not like those of an average church audience It challenges college men and women to face the social convictions of Jesus and to make their own adjustments

The Social Principles of Jesus Walter Rauschenbusch, 2012-05-26 It is said that Walter Rauschenbusch 1861 1918 was the leading spokesman for the theology of the Social Gospel in American Protestantism from the introduction by Pelikan 586 Although a Baptist minister Rauschenbusch apparently rejected biblical literalism in favor of historical criticism a method of biblical analysis that originated in Rauschenbusch's fatherland in the first half of the nineteenth century This method quite popular even today allowed Rauschenbusch to see the Gospel through the prism of the contemporary understanding of history which in the age

of social revolutions was dominated by the struggles of the lower classes In a series of books and essays Rauschenbusch applied principles he believed were found in the Gospel as calls for social reform that continue to ring true for many modern Christian theologians In *The Social Principles of Jesus* Rauschenbusch's last essay published in 1918 the author attempted to use his reading of the Gospel as a foundation for social philosophy **SOCIAL PRINCIPLES OF JESUS** WALTER RAUSCHENBUSCH, 2019 [SOCIAL PRINCIPLES OF JESUS](#) Walter 1861-1918 Rauschenbusch, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Christian Ethics and Political Economy in North America** Travis Kroeker, 1995-01-17 Kroeker argues that in trying to make their theological ethics relevant to economic policy Christian social ethicists have accepted assumptions that are incompatible with theological beliefs Starting with the Social Gospel movement he discusses the positions of theologian Walter Rauschenbusch and Canadian politician James Shaver Woodsworth He then turns to Christian Realism and compares the views of Reinhold Niebuhr with those of Gregory Vlastos the central figure in the Canadian Fellowship for a Christian Social Order He also examines recent pastoral letters on the economy by the Canadian and US conferences of Roman Catholic bishops In conclusion Kroeker suggests an alternative theological approach based on the classical Christian realism of Augustine that might better address the moral malaise of liberal political economy *The Social Principles of Jesus* Garfield Bromley Oxnam, 1923 **Social principles of Jesus** Walter Rauschenbusch, 1920 [Passion for Justice](#) Harlan Beckley, 1992-01-01 This valuable book explores how theology ethics and public policy are related in the thoughts and lives of Walter Rauschenbusch John A Ryan and Reinhold Niebuhr three individuals who have each had a great impact on Christian thinking about justice **The Spirit and the Salvation of the Urban Poor** Brandon Kertson, 2019-11-15 Poverty What is it good for Absolutely nothing Still poverty is an ever present reality even in so called first world nations like the United States If the Holy Spirit is the member of the Trinity that is ever present in our world perhaps the Spirit can be a resource to address poverty In this pneumatological theology of poverty Brandon Kertson explores the current state of poverty in the United States arguing its complexities also require complex answers demanding a pneumatological approach that has yet to be

offered Using Renewal theology and pneumatology Kertson develops a pneumatological four fold gospel based on Jesus pneumatic declaration of Luke 4 He explores how the Spirit addresses poverty through Jesus and the historic and global church and how we can begin to address poverty through the Spirit today The Spirit as savior baptizer healer and entelechy of the kingdom lays the foundation for a holistic response to the complex problem of poverty in our country The Life and Teaching of Jesus Charles Foster Kent,1913 **The Life and Teachings of Jesus** Charles Foster Kent,1913 **The Life and Teachings of Jesus** Charles Foster Fent, Ph.D.,1913 Annual Meeting of the Council of Cities of the Methodist Episcopal Church Methodist Episcopal Church. world thus shaping the content of these sermons Their reflections are imbued with an urgency to address the spiritual fears and hopes of their congregants during a time of national crisis For readers interested in the intersection of faith and history this collection offers invaluable insights into the spiritual fervor of its era The sermons not only illuminate the challenges faced by the Church but also resonate with timeless themes of compassion resilience and the quest for meaning Thus it is a must read for those wishing to understand the evolution of American Catholic thought and the role of faith in guiding individuals and communities through adversity
