**Social Problems** Amitai Etzioni, 1976 The main approaches The main factors Knowledge Goal setting Organization Power Consensus Postscript      **Sociology: A Study of the Social Sphere** Yogesh Atal, 2012 Any growing discipline continuously adds to the corpus of factual knowledge about the phenomena being studied and enriches its conceptual apparatus Over time some themes are dropped and new concerns incorporated This makes older and classical texts less relevant and necessitates a process of selection and reprioritization of themes to meet changing times Hence the need for new textbooks especially one as detailed and concise as *Sociology A Study of the Social Sphere* The book serves as an invitation to sociology and it helps the reader to learn the language that sociologists employ and the way commonly used words such as family marriage caste are given distinct definitions It follows the logic of scientific research that governs sociological analysis The various topics covered in the book are illustrated with examples taken from everyday life and from studies conducted in India      **Housing and Planning References**, 1976      *Monographic Series* Library of Congress,

**Current Catalog** National Library of Medicine (U.S.), 1979 First multi year cumulation covers six years 1965 70      *The Origins of Viraśaiva Sects* R. Blake Michael, 1992-01-01 distilled from rigorous hard headed field research with penetrating

**The Family in India** George Kurian, 2019-01-29 No detailed description available for The Family in India      **Library of Congress Catalogs** Library of Congress, 1983      **The Changing Definition of Masculinity** Clyde W. Franklin II, 2012-12-06 The Changing Definition of Masculinity is an outgrowth of four years of developing and teaching the course Social Factors in Male Personality at Ohio State University Columbus This volume reflects in addition to my thoughts and feelings about what should be discussed in a sex roles course taught from a male perspective the thoughts feelings and knowledge of scores of students colleagues and friends These are persons who either have taken the course or discussed with me appropriate material to be included in such a course and or book Chapter 1 for example is influenced greatly by the work of Eliza beth and Joseph Pleck's *The American Man* dealing with the periods of masculinity in the United States up to 1965 The chapter also deals with emerging meanings of masculinity after 1965 and female and male responses to these meanings The second chapter is devoted to male sex role socialization and examines the roles of biology and environment in male socialization It is also concerned with agents of male socialization and with male assumption of such sex role traits as dominance competitiveness the work ethic and violence In Chapter 2 I also propose two general masculine roles frequently assumed by American males which may or may not be race specific the White masculine role and the Black masculine role

**Religion and Globalization** Peter F Beyer, 1994-01-17 In his exploration of the interaction between religion and worldwide social and cultural change the author examines the major theories of global change and discusses the ways in which such change impinges on contemporary religious practice meaning and influence Beyer explores some of the key issues in understanding the shape of religion today including religion as culture and as social system pure and applied

religion privatized and publicly influential religion and liberal versus conservative religions He goes on to apply these issues to five contemporary illustrative cases the American Christian Right Liberation Theology movements in Latin America the Islamic Revolution in Iran Zionists in Israel and religious environmentalism [National Library of Medicine Current Catalog](#)

[National Library of Medicine \(U.S.\),1965](#) [Estatuto jurídico de las lenguas de señas en el derecho español](#) José Gabriel Storch de Gracia y Asensio,2018-09-17 Esta monografía desvela la situación jurídica actual de las personas con discapacidad auditiva analizando temas importantes para que las personas discapacitadas puedan desenvolverse en la sociedad con la misma naturalidad y efectividad que el resto de los ciudadanos Los autores aportan ideas que permitan a las personas con discapacidad auditiva ejercer con plenitud los derechos que les reconocen las normas publicadas en el Boletín Oficial del Estado

**A Vulgar Art** Ian Brodie,2014-10-29 In A Vulgar Art Ian Brodie uses a folkloristic approach to stand up comedy engaging the discipline's central method of studying interpersonal artistic communication and performance Because stand up comedy is a rather broad category people who study it often begin by relating it to something they recognize literature or theatre editorial or morality and analyze it accordingly A Vulgar Art begins with a more fundamental observation someone is standing in front of a group of people talking to them directly and trying to make them laugh So this book takes the moment of performance as its focus that stand up comedy is a collaborative act between the comedian and the audience Although the form of talk on the stage resembles talk among friends and intimates in social settings stand up comedy remains a profession As such it requires performance outside of the comedian's own community to gain larger and larger audiences How do comedians recreate that atmosphere of intimacy in a roomful of strangers This book regards everything from microphones to clothing and LPs to Twitter as strategies for bridging the spatial temporal and sociocultural distances between the performer and the audience

[Readings in Urban Analysis](#) Robert W. Lake,2017-07-05 This important work brings together a range of perspectives in contemporary urban analysis The field of urban analysis is characterized by the multiplicity of approaches philosophies and methodologies employed in the examination of urban structure and urban problems This fragmentation of perspectives is not simply a reflection of the multifaceted and complex nature of the city as subject matter Nor is it a function of the variety of disciplines such as geography planning economics history and sociology Cross cutting all of these issues and allegiances has been the emergence in recent years of a debate on fundamental issues of philosophy ideology and basic assumptions underlying the analysis of urban form and structure The notion of urban analysis Robert W Lake discusses focuses on the spatial structure of the city its causes and its consequences At issue is the city as a spatial fact a built environment with explicit characteristics and spatial dimensions a spatial distribution of population and land uses a nexus of locational decisions an interconnected system of locational advantages and disadvantages amenities and disamenities Beginning with landmark articles in neo classical and ecological theory the reader covers the latest departures and developments Separate sections cover political approaches to locational conflict institutional influences on urban form and

recent Marxist approaches to urban analysis Among the topics included are community strategies in locational conflict the political economy of place the role of government and the courts institutional influences in the housing market and the relationship between urban form and capitalist development This is a valuable introductory text for courses in urban planning urban geography and urban sociology      **Catalog of Copyright Entries.
