Social Work In Primary Care

Matthew L. Henk

Social Work In Primary Care:

Social Work and Integrated Health Care Victoria Stanhope, Shulamith Lala Ashenberg Straussner, 2017-09-27 This book provides a comprehensive view of the critical issues for social workers regarding the integration of primary care and behavioral health care. It discusses integrated health care settings, interprofessional practice, new roles for social workers, and describes key evidence-based practices such as screening, person-centered care, planning, motivational interviewing, and wellness self-management.

Social Work in Health Care Kay Davidson, 2014-03-18 Here is an outstanding reference book of major readings in the field of social work in health care. Practitioners, educators, researchers, and students can use this landmark two-part volume to review dominant themes and critical issues in today's practice environment and to understand the evolution of current trends and emerging policies and programs. In this one desktop source book, hundreds of references relevant to the health care social work field are immediately accessible. Education, policy, practice, and research issues integral to social work's expanding role in health care are the main focus, with each chapter highlighting a theme of enduring importance to the field. Other outstanding articles related to the chapter's theme are cited in the appendix to each chapter, which also includes a selected bibliography of suggested topical readings. Comprehensive new book filled with information vital to social workers in the health care field. Over 900 pages of scholarly articles by the foremost social work leaders in health care. 9 categories embrace the range of social work activity in the health care field. Exciting new ideas and practical suggestions for everyday dilemmas. Hundreds of references immediately accessible in one desktop source. Selected bibliography of topical headings provides sources for even more relevant articles. A MUST HAVE volume for instructors and students. Deepen your understanding of all aspects of social work practice in health care with this superb volume. Here is an outstanding reference book of major readings in the field of social work in health care. Practitioners, educators, researchers, and students can use this landmark two-part volume to review dominant themes and critical issues in today's practice environment and to understand the evolution of current trends and emerging policies and programs. Social Work in Health Care makes hundreds of references relevant to the health care social work field immediately accessible in this one desktop source book. Education, policy, practice, and research issues integral to social work's expanding role in health care are the main focus, with each chapter highlighting a theme of enduring importance to the field. Other outstanding articles related to the chapter's theme are cited in the appendix to each chapter, which also includes a selected bibliography of suggested topical readings. Find answers and ideas for everyday dilemmas in this all-inclusive information-packed volume. Social workers practicing in the rapidly expanding health care field call upon a repertoire of skills to fulfill a variety of functions, including direct patient care and contact with patients' families, education, and influencing organizational policies on their clients' behalf. The in-depth scholarship and the diversity of multiple approaches to health care social work as presented in Social Work in Health Care will have a strong impact on the field. Through the intertwining network of education, policy,

practice and research issues in the book and professional discussion of those topics a beginning point exists from which social workers can develop principles to guide their social work activities in the medical and health fields Social Work in the Health Field Lois A Cowles,2012-10-12 This book provides an introduction to social work practice in the field of health care It addresses both physical and mental health examines various settings such as primary care home care hospice and nursing and also provides histories of social work practice in traditional industry segments **Social Work in Health Care** Surjit Singh Dhooper,2012 This book is a comprehensive look at the US healthcare industry from its historical development to its current status It pays particular attention to four domains of health care and the role that social workers play in these roles in the present day and in the future **Social Work in Primary Care** Matthew L. Henk,1989-10-01 This authoritative text for students and practitioners describes all of the activities required of social workers in medical and health care setting such as hospitals public health facilities outpatient medical clinics doctors offices and health maintenance organizations More than any other existing book on the topic it offers detailed consideration of the roles of the social worker as therapist case manager advocate consultant public health prevention expert etc It also discusses record keeping processes interdisciplinary cooperation development and general administrative activities The book is designed for advanced undergraduate and graduate students in courses on social work practice in health Social Work Practice in Community-Based Health Care Marcia Egan,Goldie Kadushin,2012-11-12 Make sure your practice skills are up to date with the changes brought on by managed care As a result of escalating costs the focus of health care in the United States has shifted from inpatient hospital based care to outpatient care in the community Social Work Practice in Community Based Health Care is a comprehensive guide to the knowledge and skills needed to provide effective and efficient practice within a managed care context that is focused on a diversified aging consumer population and high risk health conditions This unique book examines the essential elements of community health practice including logic modeling for planning and evaluation interdisciplinary collaboration and the use of technology and telemedicine in social work practice Social Work Practice in Community Based Health Care presents practical information for social workers in the wake of the insertion of managed care as a third party to the relationship between physicians and their patients and advances in medical care that are transforming previously acute and life threatening illnesses to chronic conditions The book offers a critical analysis of available research and model service delivery innovations applying evidence based practice to case studies in a style that is easily accessible to practitioners administrators supervisors and social work students The book also includes glossaries at the end of each chapter and appendices that analyze online resources and address cultural background assessment questions Topics discussed in Social Work Practice in Community Based Health Care include the revolution in funding and delivery evolving trends and healthcare needs of the consumer population a conceptual framework for culturally competent practice the nature of social work in ambulatory health a brief history of healthcare social work emerging practice settings the use of new

communication technologies in practice methods for evaluating direct practice ethical considerations current community based programs for culturally diverse and at risk populations and much more Social Work Practice in Community Based Health Care is an important resource for social work practitioners academics and students **Encyclopedia of Social Work** ,1965 *Social Work Practice in Healthcare* Karen M. Allen,William J. Spitzer,2015-04-10 Social Work Practice in Health Care by Karen M Allen and William J Spitzer is a pragmatic and comprehensive book that helps readers develop the knowledge skills and values necessary for effective health care social work practice as well as an understanding of the technological social political ethical and financial factors affecting contemporary patient care Packed with case studies and exercises the book emphasizes the importance of being attentive to both patient and organizational needs covers emerging trends in health care policy and delivery provides extensive discussion of the Patient Protection and Affordable Care Act and addresses social work practice across the continuum of care Promoting Health and Well-being in Social Work Education Beth R. Crisp,Liz Beddoe,2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of Social Work Education **Primary Care and Social Services** Kirstein Rummery,2023-05-31 Health policy emphasises the role of primary and community based services in achieving strategic change throughout the NHS However despite lead roles assigned to social service departments and residential and nursing home care services difficulties remain in achieving closer working relationships This book is a concise guide to the new initiatives in this area including models and practical examples It covers the recent developments encouraging partnerships between health and social care services and is essential reading for all those involved in primary care and the social services especially those with an interest in the care of older people The National Primary Care Research and Development Centre series provides policy makers commissioners managers primary care professionals and user organisations with up to date multi disciplinary research on important issues that inform future decision making for primary care development *Social Work in Ireland* Alastair Christie,Brid Featherstone,Suzanne Quin,Trish Walsh,2020-05-31 During a period of great economic and political change and uncertainty this book offers a

timely evaluation of social work in Ireland Social Work in Ireland Changes and Continuities has brought together a range of academics and professionals to provide a comprehensive analysis of social work in the Republic of Ireland It addresses key questions such as How is social work in Ireland responding to rapidly changing social cultural and economic circumstances How will the new relationships between the state NGO private sectors impact on the provision of social services and How does and will social work respond to the needs of specific service user groups In addressing these questions the book explores key areas of practice including child welfare domestic violence mental health working with migrants and minority ethnic groups substance misuse probation services and work with older people and people with a disability This book is an essential read for students of social work and social care in Ireland and will also be of great interest to qualified practitioners in both the social work field and other social care professions **Social Work Education Bibliography** ,1983

Handbook of Health Social Work Sarah Gehlert,Teri Browne,2019-07-09 The updated third edition of the definitive text on health social work Thoroughly revised and updated the third edition of Handbook of Health Social Work is an authoritative text that offers a comprehensive review of the diverse field of health social work With contributions from a panel of international experts in the field the book is theory driven and solidly grounded in evidence based practice The contributors explore both the foundation of social work practice and offer guidance on effective strategies policies and program development The text provides information that is essential to the operations of social workers in health care including the conceptual underpinnings and the development of the profession The authors explore the practice issues such as theories of health behavior assessment communication and the intersections between health and mental health The authors also examine a wide range of examples of social work practices including settings that involve older adults nephrology oncology and chronic diseases such as diabetes heart disease HIV AIDS genetics end of life care pain management and palliative care as well as alternative treatments and traditional healers This is the only handbook of its kind to unite the body of health social work and Offers a wellness rather than psychopathological perspective and contains treatment models that are evidence based Includes learning exercises further resources research suggestions and life course information Contains new chapters on topics such as international health insurance and payment systems and implementation of evidence based practice Presents information on emerging topics such as health policy in an age of reform and genomics and the social environment Reviews new trends in social work and health care including genetics trans disciplinary care and international national and state changes in policy Written for social work educators administrators students and practitioners the revised third edition of Handbook of Health Social Work offers in one volume the entire body of health social work knowledge

Knowledge of Social Work Roles on Interdisciplinary Primary Care Teams Christine River Bakos-Block,2018 Driven by the Patient Protection and Affordable Care Act ACA 2016 new programs like Healthcare Transformation Initiatives are being adopted by healthcare systems in the United States to improve patient health outcomes Social workers are uniquely suited to

address the psychosocial needs that often get overlooked in primary care This study used an advanced mixed methods qualitative quantitative design to understand the roles of the social worker on the integrated primary care team and how knowledge of social work roles is related to interdisciplinary collaboration A scale developed in the qualitative part of the second phase of this study was used to quantitatively measure knowledge of social work roles This study identified a positive relationship between increased knowledge of social work roles and interdisciplinary collaboration This study also found that as knowledge of social work roles increased satisfaction with collaboration increased These findings establish the importance of role knowledge on interdisciplinary collaboration Additionally as social work roles are diverse and often defined by setting this study promotes the need for further research regarding the various functions of social workers in primary care It further suggests that social work is in a unique position to make its mark on integrated primary care and further redefine its role on interdisciplinary healthcare teams Child and Adolescent Mental Health in Social Work

Jacqueline Corcoran, Courtney Benjamin Wolk, 2023 This is a comprehensive text on child and adolescent mental disorders that social workers commonly see in their field and employment settings with an equal focus on assessment and intervention Detailed case examples illustrate the implementation of evidence based interventions with diverse and traditionally underserved client populations Research is integrated throughout and the professional social work context is discussed

Social Work in Health Settings Judith L.M. McCoyd, Jessica Euna Lee, Toba Schwaber Kerson, 2022-12-27 This fully revised and expanded fifth edition of Social Work in Health Settings Practice in Context maintains its use of the Practice in Context PiC decision making framework to explore a wide range of social work services in healthcare settings The PiC is updated in this edition to attend to social determinants of health and structural conditions The PiC framework is applied in over 30 case chapters to reflect varied health and social care settings with multiple populations Fully updated to reflect the landscape of healthcare provision in the US since the Affordable Care Act was reaffirmed in 2020 the cases are grounded by primer chapters to illustrate the necessary decisional and foundational skills for best practices in social work in health settings The cases cover micro through macro level work with individuals families groups and communities across the life course The PiC framework helps maintain focus on each of the practice decisions a social worker must make when working with a variety of clients including military veterans refugees LGBTQ clients The ideal textbook for social work in healthcare and clinical social work classes this thought provoking volume thoroughly integrates social work theory and practice and provides an excellent opportunity for understanding particular techniques and interventions **A Dictionary of Social**

Work and Social Care John Harris, Vicky White, 2013-01-24 This new dictionary provides A Z definitions of terms from the broad field of social care Accessible coverage of social work theories methods policies organizations and statutes as well as key terms from interdisciplinary topics such as health and education make this an ideal reference for students as well as qualified social workers **A Multidisciplinary Handbook of Child and Adolescent Mental Health for Front-line**

Professionals Nisha Dogra, Clay Frake, Fiona Warner-Gale, Andrew Parkin, 2008-09-15 This fully updated edition of *A Multidisciplinary Handbook of Child and Adolescent Mental Health for Front line Professionals* is an accessible introduction to child mental health covering the nature prevalence treatment and management of mental health problems in children and young people The authors explore issues such as assessing and meeting the mental health needs of young people specific mental health problems such as attention deficit hyperactivity disorder ADHD and learning difficulties and legal aspects of working with child mental health They also assess diversity issues as an integral part of practice and highlight practice issues for readers The book contains illustrative case studies and self directed exercises and outlines the services available to children with mental health problems This second edition also includes additional material on working with culture and diversity plus the latest clinical guidelines and current medication This handbook is an invaluable resource for students trainers and professionals working with children with mental health problems in a medical and non medical environment as well as parents wanting to know more about the subject

Ambivalences of Inclusion in Society and Social Work Stephan Bundschuh, Maria José Freitas, Cándid Palacín Bartrolí, Nino Žganec, 2020-10-28 This book represents the work of the European Research Network Inclusive Society and the Role of Social Work which comprises researchers from Barcelona Spain Koblenz Germany Maastricht The Netherlands and Zagreb Croatia The authors present research results and reflections from these four different European countries to provide a comprehensive introduction and discussion of the ambivalences of inclusive processes in society and social work The development towards an inclusive society is a subject of ongoing discussion in Europe How the subject is addressed through an examination of political and social characteristics differs significantly by country Each country specific chapter includes evidence based reflections on inclusive society and the role of social work In The Netherlands there is evidence of a top down process implementing inclusive social policy and social work principles through the self proclaimed participation society In Spain the process to inclusion is accompanied by the third sector often replacing governmental responsibilities namely through the bottom up activities of non governmental organizations in social work In Croatia inclusion is a state initiative in transitioning society and an academic approach to deinstitutionalising social work In Germany inclusion is discussed in social systems theory and the reform of school systems In the migration discourse it was introduced as a less loaded alternative to integration *Ambivalences of Inclusion in Society and Social Work Research Based Reflections in Four European Countries* is a useful resource for learners teachers practitioners and researchers in social work as well as those who have an interest in social policy social welfare and sociology

Partnerships in Social Care Keith Fletcher, 2006-05-15 *Partnerships in Social Care* is a practical handbook for professionals engaged in planning strategic partnerships in health social care and education services Designed as a quick reference the book allows readers to find advice relevant to their particular situation or gain an overview of the themes explored

Enjoying the Track of Expression: An Mental Symphony within **Social Work In Primary Care**

In some sort of eaten by monitors and the ceaseless chatter of immediate conversation, the melodic splendor and psychological symphony developed by the published term frequently fade in to the background, eclipsed by the persistent sound and distractions that permeate our lives. However, situated within the pages of **Social Work In Primary Care** a wonderful literary prize overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that fascinating masterpiece conducts readers on a psychological trip, skillfully unraveling the concealed songs and profound influence resonating within each cautiously crafted phrase. Within the depths of the emotional assessment, we can explore the book is central harmonies, analyze their enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
