

# Social Rights In Europe

**Niklas Bruun, Klaus Lörcher, Isabelle  
Schömann, Stefan Clauwaert**

## **Social Rights In Europe:**

**Social Rights in Europe** Gráinne De Búrca, Bruno de Witte, Larissa Ogertschnig, 2005 Social rights while traditionally the neglected sibling within the human rights family have been prominent on the agenda in Europe in recent years The debate over the justiciability of social rights in the EU's Charter of Fundamental Rights and the revision of the Council of Europe's European Social Charter have contributed in different ways to this prominence The chapters in this book examine these recent developments and discuss some of the current dilemmas and challenges for the system of protection of social rights in Europe The collection moves deliberately beyond the traditional focus on labour rights to consider other social rights which are seen to be of growing importance such as health and disability in particular Writers who are familiar with and in some cases who have worked within the various European systems assess different aspects of their functioning including their respective mechanisms for monitoring and enforcement The relationship between the two main systems of protection of social rights The EU Charter of Fundamental Rights and the European Social Charter is considered both in a chapter on the possibility for future accession of the EU to the ESC as well as through a series of case studies on the right to work to health to freedom from discrimination and the rights of the disabled This approach allows reflection on the respective strengths and weaknesses of these two systems and the existing tensions and synergies between them The Protection of Fundamental Social Rights in Europe Through the European Social Charter Council of Europe, Council of Europe. Directorate General of Human Rights, European Commission, 2001-01-01 Conclusions of the conference SOCIAL RIGHTS IN EUROPE IN AN AGE OF AUSTERITY Stefano Civitarese Matteucci, Simon Halliday, 2017-08-07 This collection of essays examines the promise and limits of social rights in Europe in a time of austerity Presenting in the first instance five national case studies representing the biggest European economies UK France Germany Italy and Spain it offers an account of recent reforms to social welfare and the attempts to resist them through litigation The case studies are then used as a foundation for theory building about social rights This second group of chapters develops theory along two complementary lines first they explore the dynamics between social rights public law poverty and welfare in times of economic crisis second they consider the particular significance of the European context for articulations of and struggles over social rights Employing a range and depth of expertise across Europe the book constitutes a timely and highly significant contribution to socio legal scholarship about the character and resilience of social rights in our national and regional constitutional settings

**European Social Charter** Council of Europe, European Committee of Social Rights, 2000-01-01 **Social Rights of Children in Europe** Katharina Häusler, 2019-01-14 The Convention on the Rights of the Child has changed the paradigm of how human rights law looks at children from objects of protection to full rights holders of all human rights Consequently social rights are not voluntary welfare services but an expression of the dignity and rights of the child In Social Rights of Children in Europe Katharina Häusler provides a thorough analysis of how these basic social rights are interpreted by the

three major human rights bodies on the level of the Council of Europe and the European Union It thus offers not only an excellent picture of the main lines of interpretation but also of the major gaps and challenges for the realisation of children s social rights in Europe      **European Social Charter** European Committee of Social Rights,Council of Europe,2004-01-01

*European Social Charter* European Committee of Social Rights,2003-01-01      European Committee of Social Rights Addendum to Conclusions Fifteen-two (Ireland) European Committee of Social Rights,2001-01-01 The European Charter is a Council of Europe treaty which guarantees social and economic human rights This addendum contains the national report on the implementation of the Charter in Ireland which arrived too late for inclusion in the earlier addendum The conclusions of the European Committee of Social Rights are given concerning conformity of national legislation with specific articles of the Charter      *Access to Social Rights for People with Disabilities in Europe* Council of Europe. Committee on the Rehabilitation and Integration of People with Disabilities,2003-01-01 Despite the progress made in the social rights field in Europe many fundamental social rights are still not fully accessible to people with disabilities This report examines key measures and identifies obstacles to full participation particularly in the areas of education vocational training and employment the built environment and transport information and communication healthcare and social protection It provides examples of good practice and makes cross sectoral recommendations for integrated policy actions      Access to Social Rights in Europe Mary Daly,2002-01-01 The views of rights holders      *Fundamental Social Rights in the European Union* Stefan Clauwaert,European Trade Union Institute,1998      **The European Social Charter: The Protection of Economic and Social Rights in Europe, 2d Edition** David Harris,2021-10-01 This thoroughly revised edition of a standard work on the European Social Charter of 1961 describes and analyzes the amended Charter of 1996 and the Optional Protocol of 1995 with detailed attention to the jurisprudence of the independent Committee of Experts under those revised instruments It also takes into account the substantial changes in the operation of the supervisory mechanism which have made the mechanism much more effective The author s commentary proceeds in the broader context of international social and economic rights as expressed in the European Convention on Human Rights European Union social law and the International Covenant on Economic Social and Cultural Rights      **Fundamental Social Rights in Europe** Mark Eric Butt,Julia Kübert,Christiane Anne Schultz,2000      **The European Social Charter and the Employment Relation** Niklas Bruun,Klaus Lörcher,Isabelle Schömann,Stefan Clauwaert,2017-01-12 This collection addresses the potential of the European Social Charter to promote and safeguard social rights in Europe Drawing on the expertise of the ETUI Transnational Trade Union Rights expert network from across Europe it provides a comprehensive commentary on these fundamental rights Taking a two part approach it offers an in depth legal analysis of the European Social Charter as a new social constitution for Europe investigating first the potential of the general legal frame in which the Charter is embedded In the second phase a series of social rights which are related to the employment relation are examined in particular in light of the jurisprudence of the European Committee of

Social Rights ECSR to demonstrate the crucial but difficult role of the Charter's supervisory bodies to secure the respect and promotion of social rights and national level bearing in mind the reciprocal influence of other international social rights instruments This examination is timely given the pressure exerted on those rights during the recent period of economic crisis Furthermore in the light of the predominantly economic vision of Europe such analysis is crucial The collection is aimed at stimulating academic scrutiny and raising awareness amongst practitioners and trade unions about this important and equally necessary anchor of the social dimension of Europe in legal and political practice

**Human Rights in the Council of Europe and the European Union** Steven Greer, Janneke Gerards, Rose Slowe, 2018-03-29 Confusion about the differences between the Council of Europe the parent body of the European Court of Human Rights and the European Union is commonplace amongst the general public It even affects some lawyers jurists social scientists and students This book will enable the reader to distinguish clearly between those human rights norms which originate in the Council of Europe and those which derive from the EU vital for anyone interested in human rights in Europe and in the UK as it prepares to leave the EU The main achievements of relevant institutions include securing minimum standards across the continent as they deal with increasing expansion complexity multidimensionality and interpenetration of their human rights activities The authors also identify the central challenges particularly for the UK in the post Brexit era where the components of each system need to be carefully distinguished and disentangled

*EU Policies in a Global Perspective* Gerda Falkner, Patrick Müller, 2013-11-20 Recent decades have seen a rise in the significance of governance layers beyond the nation state and even Europe Nonetheless few efforts have been made thus far to systematically examine the EU's interaction with global policy regimes This book maps the relative importance of EU policies in the multi level global governance system in comparison with national and global activities It provides a unique comparative analysis of the EU's capacity for projecting its policies outward Focusing on trade policy agriculture food safety competition social rights environmental policy transport migration nuclear non proliferation or financial regulation each chapter contributes to a better understanding of the EU's role in shaping global policies the mechanisms it uses and the conditions leading to success or failure The contributors comparative research highlights that policy export is a demanding phenomenon that faces severe limitations and frequently comes with drawbacks Still EU policy export played a key role in shaping the rules of the global trade regime and influenced global policy outcomes at least to a minor extent or in technical aspects in the majority of the covered policy areas Overall however this book reveals that the EU not only aims to export its policies but interacts with its global environment in a number of distinct ways including policy import and policy protection to shield it from global pressures Concluding with a comparison of all policies on the meta level and relevant policy recommendations this book will be of interest to students scholars and practitioners of European politics European public policy global governance and international relations

European Social Charter European Committee of Social Rights, Council of Europe, 2000

**The Europeanisation of Law** Francis

Snyder,2000-09-25 This book consists of interrelated essays by many past and present members of the EUI Law Department The contributors are all well known specialists in their fields whose essays address such issues as the effects of integration upon certain national laws the elaboration of EU law to provide a new framework for or replacement for national laws the piecemeal development of specific legal strands of EU law and their intertwining with national or international laws and the indirect and sometimes unintended consequences of European integration with regard to national EU or international law

**Economic and Social Rights under the EU Charter of Fundamental Rights** Tamara Hervey,Jeff Kenner,2003-09-10 The Charter of Fundamental Rights of the European Union includes in addition to the traditional civil and political rights a large number of rights of an economic or social nature This collection of essays by leading scholars in this field considers the significance of the inclusion of such rights within the EU Charter in terms of protection of individual and collective social and economic interests within and between the EU and its Member States What differences might it make to EU law and policy both in terms of its substance and in terms of the processes by which it is formed that certain economic and social rights are proclaimed in the EU Charter

**Fundamental Social Rights at Work in the European Community** Alan C. Neal,2019-01-15 First published in 1999 this volume examines how the challenge of defining and developing an effective structure of fundamental social rights for workers has long been a focus for debate at European level Even before the emergence of the 1989 Charter of Fundamental Social Rights of Workers proposals were being made to incorporate fundamental rights provisions into the Treaties establishing the European Communities Consequently when a distinguished Comité des Sages produced its 1996 report For a Europe of Civic and Social Rights the stage was set for intensive debate as to the way forward

**Social Rights In Europe Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Social Rights In Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Rights In Europe has opened up a world of possibilities. Downloading Social Rights In Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Rights In Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Rights In Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Rights In Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Rights In Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Rights In Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Social Rights In Europe Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Rights In Europe is one of the best book in our library for free trial. We provide copy of Social Rights In Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Rights In Europe. Where to download Social Rights In Europe online for free? Are you looking for Social Rights In Europe PDF? This is definitely going to save you time and cash in something you should think about.
