Social Statistics For A Diverse Society:

Social Statistics for a Diverse Society Chava Frankfort-Nachmias, Anna Leon-Guerrero, 2016-12-29 This Eighth Edition of *Social Statistics for a Diverse Society* continues to emphasize intuition and common sense while demonstrating that social science is a constant interplay between methods of inquiry and important social issues. Recognizing that today's students live in a world of growing diversity and richness of social differences, authors Chava Frankfort-Nachmias and Anna Leon-Guerrero use research examples that show how statistics is a tool for understanding the ways in which race, class, gender, and other categories of experience shape our social world and influence social behavior. In addition, guides for reading and interpreting the research literature help students acquire statistical literacy, while SPSS demonstrations and a rich variety of exercises help them hone their problem-solving skills.

Social Statistics for a Diverse Society Chava Frankfort-Nachmias, Anna Leon-Guerrero, Georgiann Davis, 2020-01-21 The Ninth Edition of *Social Statistics for a Diverse Society* continues to emphasize intuition and common sense while demonstrating the link between the practice of statistics and important social issues.

Social Statistics for a Diverse Society Chava Frankfort-Nachmias, Anna Leon-Guerrero, 2009 Order the SPSS Student Version ISBN 978 1 4129 6883 6 of this text and your students will be able to practice SPSS version 16.0 on their laptops in the convenience of their dorm rooms rather than in the computer labs for just 25 more than the text alone. In this Fifth Edition of their best-selling *Social Statistics for a Diverse Society*, Chava Frankfort-Nachmias and Anna Leon-Guerrero use straightforward conversational prose and emphasize common sense as they demonstrate the link between the practice of statistics and important social issues. *Social Statistics for a Diverse Society* helps students learn key sociological concepts through real research examples related to the dynamic relationship between race, class, gender, and other social variables. An emphasis on SPSS for Windows version 16.0 throughout the book, in conjunction with General Social Survey data, introduces one of the most commonly used analytical software packages in the field. Each chapter ends with a demonstration of a related SPSS procedure along with a set of useful exercises to help students practice what they learn.

New and Retained Features
New and updated real-world examples drawn from a wide range of sources including news stories, government reports, scholarly research, the National Opinion Research Center General Social Survey, and the Monitoring the Future Survey help students combine an understanding of statistics with an increased understanding of social issues. Significant student-friendly reorganization of the text provides descriptive and inferential statistics in discrete units, first followed by coverage of data analysis. Updated statistical applications in examples now include social issues beyond race and gender, such as class and mobility. Reading the Research Literature sections in most chapters help students read and interpret statistical information in professional and scholarly publications. Fully revitalized learning aids, including new end-of-chapter exercises, Learning Checks, and Statistics in Practice and A Closer Look boxes, are available on the Study Site. A new data set available on the Study Site applies to criminology and social work research issues. Ancillaries: Instructor Resources on CD-ROM feature a new test bank with a wide
