SOCIALIST - S means SOCIALISM.* Christina Antioch,Etienne de la Boetie2,Libertarian Book Club, Almost everyone including every scholar refers to Hitler as Nazi or Fascist and not Socialist Educational Outreach Programs EOPs

inspired by Dr Rex Curry s work are the only services that inform ignorant scholars that Hitler self identified as Socialist He did not self identify as Nazi nor as Fascist No one else provides this vital public awareness So if you ever see a sentence like the following one then you know it was from EOPs for Dr Curry s work Hitler didn t call himself Nazi or Fascist he called himself socialist The linguistic EOPs above led to many amazing historical discoveries including revelations about Anne Frank s Diary Adolf Hitler s Mein Kampf Sophie Scholl s White Rose group Joseph Goebbels Der Nazi Sozi Martin Niemoller s verse First They Came For the Socialists the swastika symbol the hexagram Star of David and much more Except for the American Historian Laureate Dr Rex Curry every other historian did not see how the USA s Pledge of Allegiance led to Nazi salutes and Nazi behavior and how the original pledge s use of the military salute led to the Nazi salute Also historians did not see the similar symbolism of Adolf Hitler s NSV SA and SS logos as compared with the logo of Hitler s party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e g Dr Curry are able to discern the S letter shape of the NSV s logo The National Socialist People s Welfare in German Nationalsozialistische Volkswohlfahrt The S symbolism is almost as difficult to perceive as in Hitler s Hakenkreuz hooked cross It is as undetectable as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians did not see other than Dr Curry how Hitler used his party s symbol to represent S letter shapes for SOCIALIST Do you not see Professor Curry transformed the culture of India along with Hinduism and Buddhism Before Dr Curry s discoveries Buddhists and Hindus published complaints that Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol Educational Outreach Programs EOP about Dr Curry s work taught India s commentators that Hitler s symbol was not a swastika and that Hitler never called it a swastika An upheaval occurred among Buddhists and Hindus in their objections Now they proudly assert Hitler called his symbol a Hakenkreuz hooked cross not a swastika It was not the same symbol Dr Curry told us

Translations on International Communist Developments ,1961 Bernie Sanders, Adolf Hitler, Joseph Stalin, Fidel Castro & Other Socialists Jon Robins,Ian Tinny,Dead Writers Club,Rex Curry, Bernie Sanders BS self identifies the same way that Adolf Hitler self identified SOCIALIST In voluminous speeches and writings Hitler glorified the identical word touted by BS as his political philosophy Hitler s swastika was S letter shaped symbolism for his socialism BS proudly classifies himself in the same fashion as Hitler and the world s other genocidal psychopaths Bernie Sanders was endorsed by Alexandria Ocasio Cortez AOC in the 2020 presidential election and AOC actively campaigns for BS Why does AOC support such an old white male She promotes him because they share the same extremist dogma How did they both become socialists AOC was heavily influenced by BS The USA s two worst national socialists were both born and raised in New York City AOC grew up during BS s years as a career politician She learned a lot about socialism and wanted to get on the dole too BS is the oldest white male who is running for nomination BS is so elderly that he could be AOC s grandfather he is 48 years older than her AOC was born a year after BS s infamous honeymoon 1988 in the USSR just as Soviet socialism self destructed Sanders was born

in 1941 shortly after Soviet socialism's partnership with German socialism Soviet socialism under Stalin and German socialism under Hitler had joined to launch WWII destroying Poland together and going onward from there in a pact to enslave Europe After German socialism was defeated Soviet socialism continued as Sanders grew up to ruin millions of lives and increase its record setting mass murders As a child Sanders had learned about socialism from his parents and other relatives They attended government schools socialist schools in the USA where students were forced to perform the Nazi salute and chant robotically to the flag each morning at the ring of a bell The Pledge of Allegiance to the USA's Flag was the origin of the infamous stiff armed salute and other propagandistic behavior that was borrowed decades later under German socialism and under other socialists worldwide The pledge was written by an American socialist Francis Bellamy in order to spread socialism Anyone who refused the ritual in the socialist schools was persecuted At that time the socialist schools taught racism as official policy and imposed segregation by law Sanders also learned socialism from government schools that he attended and he chanted in unison each morning to the flag too although the gesture had changed to hide socialism's putrid history During Sanders youth the socialist schools continued to teach racism as official policy and continued to impose segregation by law America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book
