Socializing The Young:

Socializing the Young Dennis R. Bryson, 2002-04-30 The Rockefeller philanthropies and the Macy Foundation launched a series of programs during the 1920s and 1930s aimed at the production and dissemination of knowledge on the rearing and education of the young Thus millions of dollars in foundation funds were put into projects in child study and parent education the reorganization of secondary education child growth and development culture and personality studies and the personality development of young children by the Laura Spelman Rockefeller Memorial the General Education Board the Macy Foundation during the period 1923 to 1941 Informing these projects was a coherent sociopolitical agenda in order to promote a stable pacified social order the foundation projects attempted to foster the formation of friendly sane and sociable personalities who would avoid conflict and other kinds of anti social behavior Thus the micropractices of private life especially child rearing and familial and marital practices were targeted by a sociopolitical scheme oriented toward the reconstruction and pacification of social life The book examines in depth the foundation programs and the deliberations of officers and trustees as they designed and implemented these programs Special attention is paid to the role of Lawrence K Frank in the creation and direction of the foundation programs *Federal Programs for Young Children: Review and Recommendations* Sheldon Harold White, 1973

Russia's Youth and its Culture Hilary Pilkington, 2013-01-11 Since the political whirlwinds of the mid 1980s and the fall of communism in 1991 Russia has undergone dramatic social change much of which has escaped the attention of Western media In her new book Hilary Pilkington applies the methods of cultural studies research to the study of Russian youth She does this by deconstructing the social discourses within which Russian youth has been constructed and by providing an alternative reading of youth cultural activity based on an ethnographic study of Moscow youth culture at the end of the 1980s The book also charts the passage of western youth cultural studies in the twentieth century and suggests some new ways forward in the light of the Russian experience Hilary Pilkington traces the cultural themes of youth culture in the Anglo American tradition and within the Soviet Union before examining the impact of perestroika on the media and its ramifications for the discussion of youth The book ends with a study of young people in Moscow and youth cultural groups the product of field work and interviews in the city

Youth Violence Prevention Terrance Taylor, 2016-04-14 Youth violence is a pressing social concern and this book examines several elements of youth violence prevention It offers state of the art research on several different topics including the relationship between bullying offending and victimization the relationship between race and the code of the streets explanation for violent offending and how differences in methodology affect the validity of the multiple marginality theory of gang membership It also examines an understudied population gay gang members as well as providing an analysis of the degree to which risk factors for gang membership and violent offending are sex specific The critical component of this text is the melding of research with practical implications for youth violence prevention specialists As such the book should be useful to both academic and

practitioner audiences This book was originally published as a special issue of the Journal of Crime Justice Men Educators of Color in U.S. Public Schools and Abroad Ashley N. Woodson, Travis J. Bristol, 2023-12-11 This book reflects the diversity and possibility of critical research in education with an emphasis on the examination of the intersections of social identities for men teachers of color and the relationship between social identity and struggles for political and professional agency The authors address race and race inequality in education and provide a strong theoretical foundation for filling the empirical gap on men teachers of color by engaging in questions such as How do critical considerations of the intersection of race gender and profession inform the future of teacher education What does it mean to be men or of color in the context of the teaching profession in the U S and abroad What are the aims of ethnoracial diversity in the field of education The research included in this edited volume explores topics including but not limited to men teachers of color and their perceived pathways to the profession their perceptions of and partnerships with colleagues of other genders their sexual and gendered identities and performances and how they embrace reject or negotiate the expectations of performing as a role model in classrooms Moreover the chapters provide explicit implications for teachers teacher educators university and PK 12 administrators education activists and or education policymakers In sum this volume charts a new landscape in education research for all men teachers of color The chapters in this book were originally published as a special issue of the journal Race Ethnicity and Education *Introduction to Sociology* George Ritzer, Wendy Wiedenhof Murphy, 2019-07-30 Show students the relevance of sociology to their lives While providing a rock solid foundation Ritzer and Wiedenhof illuminate traditional sociological concepts and theories as well as some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonalidization of society *New Critical Studies on Early Quaker Women, 1650-1800* Michele Lise Tarter, Catie Gill, 2018-04-13 New Critical Studies on Early Quaker Women 1650 1800 takes a fresh look at archival and printed sources from England and America elucidating why women were instrumental to the Quaker movement from its inception to its establishment as a transatlantic religious body This authoritative volume the first collection to focus entirely on the contributions of women is a landmark study of their distinctive religious and gendered identities The chapters connect three richly woven threads of Quaker women s lives Revolutions Disruptions and Networks by tying gendered experience to ruptures in religion across this radical volatile period of history **A Prison Called School** Maure Ann Metzger, 2015-10-08 Why are our educational institutions and practices such a poor fit for so many students A Prison Called School addresses the complex issues that place many students at a disadvantage as they try to survive yet another hurdle in life school Although some students are able to navigate and succeed in the current system other students struggle to survive a system that is unable to meet their needs For those students school can feel like a twelve year prison sentence Students who cannot fit the outdated one size fits all model are further penalized by a system that blames the struggling student rather than holding the institution accountable For students to thrive in school the system not the
