Sociolinguistics And Contemporary French

Philippe Lane, Michael Worton

Sociolinguistics And Contemporary French:

Sociolinguistics and Contemporary French D. E. Ager, 1990-12-13 This textbook deals with the ways in which French is used in different circumstances and settings in France and abroad with the language attitudes of French speakers and with language policy It is concerned not only with the linguistic data but also the social political and economic environment in which contemporary French is used This is the only up to date introduction to the sociolinguistics of French currently available The exposition is clear and lively and will be welcomed by students and teachers alike **Sociolinguistic**

Variation in Contemporary French Kate Beeching, Nigel Armstrong, Françoise Gadet, 2009-10-14 Divided into three main sections on Phonology Syntax and Semantics this new volume on variation in French aims to provide a snapshot of the state of sociolinguistic research inside and outside metropolitan France From a diatopic perspective varieties in France Belgium Switzerland Africa and Canada are considered mainly with respect to phonological features but also focusing on syntactic and lexical evolutions the relative clause in Ivorian French and discourse markers in Canadian French The acquisition of stylistic features of French figures in chapters on both first and second language learners and variation across different genres is addressed with respect to non standard non finite forms Finally a section on semantic change traces the way that interactional and other socio historical factors affect word meaning The volume will appeal to socio linguists with an interest in contemporary French as well as to advanced undergraduates and post graduate students of French and specialists in the field **Sociolinguistic Variation in Contemporary French** Kate Beeching, Nigel Armstrong, Françoise Gadet, 2009

Divided into three main sections on Phonology Syntax and Semantics this new volume on variation in French aims to provide a snapshot of the state of sociolinguistic research inside and outside metropolitan France From a diatopic perspective varieties in France Belgium Switzerland Africa and Canada are considered mainly with respect to phonological features but also focusing on syntactic and lexical evolutions the relative clause in Ivorian French and discourse markers in Canadian French The acquisition of stylistic features of French figures in chapters on both first and second language learners and variation across different genres is addressed with respect to non standard non finite forms Finally a section on semantic change traces the way that interactional and other socio historical factors affect word meaning The volume will appeal to socio linguists with an interest in contemporary French as well as to advanced undergraduates and post graduate students of French and specialists in the field **The Sounds of Contemporary French** Aidan Coveney, 2001

How do French native speakers articulate the consonant and vowel sounds of their language and what changes do these sounds undergo during the flow of connected speech How do the sounds of French differ from those of English and other languages and how do they vary according to the speaker's regional and social identity This book provides a detailed account of the movements of the lips tongue and other speech organs with the help of tracings from films produced at the Institut de Phonétique de Strasbourg A wide range of geographical and social accents of French is also discussed and frequent comparisons are made with English

and many other languages drawing on sociolinguistic and cross linguistic research

French Studies in and for the Twenty-first Century Philippe Lane, Michael Worton, 2011 With contributions from leading scholars across the entire range of French studies this up to date volume examines both the current state of French studies in the United Kingdom as well as its future in an increasingly interdisciplinary world where student demand new technologies and developments in transnational education are changing the ways in which we teach learn research and assess achievements Required reading for French studies scholars worldwide this volume builds upon the findings of the influential Review of Modern Foreign Languages Provision in Higher Education and maps the present and future of the field

Varieties of Contemporary French M. H. Offord, 1990

French Studies in and for the 21st Century Philippe Lane, Michael Worton, 2011-07-07 French Studies in and for the 21st Century draws together a range of key scholars to examine the current state of French Studies in the UK taking account of the variety of factors which have made the discipline what it is The book looks ahead to the place of French Studies in a world that is increasingly interdisciplinary and where student demands new technologies and transnational education are changing the ways in which we learn teach research and assess Required reading for all UK French Studies scholars the book will also be an essential text for the French Studies community worldwide as it grapples with current demands and plans for the future

Contemporary French Cultural Studies William Kidd, Sian Reynolds, 2014-05-01 The study of French culture has long ceased to be purely centred on literature Undergraduate French courses now embrace all forms of cultural production and consumption and students need to have a broad knowledge of everything from day time TV and the latest detective novels to debates about national identity and immigration policies This stimulating text is an introduction to the full range of contemporary French culture Written by a group of leading academics both within and outside France each chapter focuses on a topic from the French cultural scene today Starting with an overview of resources for further information both in print and online the text discusses the varied forms of French cultural expression and looks critically at what Frenchness itself means The book also explores examples of cultural production ranging from sport media and literature to theatre cinema festivals and music An essential resource for students and scholars alike this text provides detailed material and analysis as well as a launch pad for further study

The Vocabulary of Modern French Hilary Wise, 2003-10-04 The Vocabulary of Modern French provides a fresh insight into contemporary French With this book Hilary Wise offers the first comprehensive overview of the modern French vocabulary its historical sources formal organisation and social and stylistic functions Topics covered include external influences on the language word formation semantic change style and register In addition the author looks at the relationship between social and lexical change and examines attempts at intervention in the development of the language Each chapter is concluded by notes for further reading and by suggestions for project work which are designed to increase awareness of specific lexical phenomena and enable the student reader to use lexicographic databases of all kinds The Vocabulary of Modern French is an accessible

and fascinating study of the relationship between a nation and its language as well as providing a key text for all students of modern French

Language, Culture, and Hegemony in Modern France Freeman G. Henry, 2008 In this panoramic study Freeman Henry chronicles the rise to prominence of French language and culture He meticulously analyzes the protracted government sponsored efforts to foster and maintain that status and ultimately the latter day challenges to France's national linguistic identity posed by Anglocentric globalization and a multicentric European Union The internal history of the language is closely intertwined with its external history phonology morphology lexicography and orthography come alive against a backdrop of political cultural and institutional manifestations A felicitous blend of documentary evidence and critical analysis serves to elucidate crucial stages events and concepts 16th century exuberance 17th century foundations 18th century expansionism Revolutionary ideology Restoration restructuring and commercialization the advent of linguistic science the coming of the media age encroaching technocracy and clamors for linguistic parity Individual chapter focus on the plight of minority linguistic communities such as the blind and the deaf language monitoring policies and legislation such as the Loi Toubon as well as the feminization project legitimizing Madame la ministre Publisher description

Language and Social Structure in Urban France David Hornsby, 2017-07-05 The coming together of linguistics and sociology in the 1960's most notably via the work of William Labov marked a revolution in the study of language and provided a paradigm for the understanding of variation and change Labovian quantitative methods have been employed successfully in North America the UK Scandinavia and New Zealand but have had surprisingly little resonance in France a country which poses many challenges to orthodox sociolinguistic thinking Why for example does a nation with unexceptional scores on income distribution and social mobility show an exceptionally high degree of linguistic levelling that is the elimination of marked regional or local speech forms And why does French appear to abound in hyperstyle variables which show greater variation on the stylistic than on the social dimension in defiance of a well established theory that such variables should not occur This volume brings together leading variationist sociolinguists and sociologists from both sides of the Channel to ask what makes France exceptional In addressing this question variationists have been forced to reassess the accepted interdisciplinary consensus and to ask as sociolinguistics has come of age whether concepts and definitions have been transposed in a way which meaningfully preserves their original sense and crucially takes account of recent developments in sociology Sociologists for their part have focused on the largely neglected area of language variation and its implications for social theory Their findings therefore transcend the case study of a particularly enigmatic country to raise important theoretical questions for both disciplines

[The Routledge Handbook of Sociolinguistics Around the World](#) Martin J Ball, 2009-12-16 Drawing on examples from a wide range of languages and social setting *The Routledge Handbook of Sociolinguistics Around the World* is the first single volume collection surveying current and recent research trends in international sociolinguistics With over 30 chapters written by leading authorities in the region concerned all continents and their respective regions are

covered The book will serve as an important tool to help widen the perspective on sociolinguistics to readers of English Divided into sections covering The Americas Asia Australasia Africa and the Middle East and Europe the book provides readers with a solid up to date appreciation of the interdisciplinary nature of the field of sociolinguistics in each area It clearly explains the patterns and systematicity that underlie language variation in use as well as the ways in which alternations between different language varieties mark personal style social power and national identity The Routledge Handbook of Sociolinguistics around the World is the ideal resource for all students on undergraduate sociolinguistics courses and researchers involved in the study of language society and power English Language and Linguistics

Sociolinguistics A reader in French sociolinguistics M. H. Offord, 1996 This book brings together twenty eight important extracts relating to French sociolinguistics It is divided into four sections the French language in France today linguistic diversity in France French outside France and French and gender The extracts have been drawn from a host of sources and have been selected to illustrate a wide range of attitudes and approaches to the role of French in France and elsewhere in the world Government decrees and circulars historical analyses descriptions by contemporary sociolinguistics in Europe and further afield and documents produced by organisations which exist to protect the French language all appear The emphasis of the book is upon objective assessment but also included are official statements and more stridently chauvinistic appraisals Certain themes occur particularly the perennial rivalry between English and French as well as concern that French is losing its influence in many parts of the world and that it is escaping the authoritarian control that used to be exercised on it A more recent concern is the charge that French is essentially a sexist language to which speakers need to be more and more sensitised Sociolinguistic Variation in Seventeenth-Century France Wendy

Ayres-Bennett, 2004-10-14 This book provides a systematic study of sociolinguistic variation in seventeenth century France Drawing on a range of case studies Wendy Ayres Bennett makes available data about linguistic variation in this period showing the wealth and variety of language usage at a time that is considered to be the most standardising in the history of French Variation is analysed in terms of the speaker's pre-verbal constitution such as gender age and socio-economic status or by the medium register or genre used As well as examining linguistic variation itself the book also considers the fundamental methodological issues that are central to all socio-historical linguistic accounts and more importantly addresses the question of what the appropriate sources are for linguists taking a socio-historical approach In each chapter the case studies present a range of phonological morphological syntactic and lexical issues which pose different methodological questions for sociolinguists and historical linguists alike Redefining Regional French David Hornsby, 2022-10-10 This study challenges the orthodox view that emergent regional varieties of French represent no more than an ephemeral dialect residue of little theoretical interest It follows the life cycle of an obsolescent urban Picard variety spoken in a mining town in the Pas de Calais and attempts to unravel the complex reasons behind the survival of some local variants at the expense of

others Applying a sociolinguistic model developed by Peter Trudgill it shows how the processes of levelling and simplification have driven change in a dialect contact situation giving rise to a new stable variety or koine This is compared with other new urban varieties in Sweden and the UK where different economic social and demographic conditions have produced very different linguistic outcomes The emergence of Regional French in the north it is argued may herald the start of a new diversification of French in Europe This book will therefore interest both students of French and of language variation more generally

An Introduction to Linguistics Stuart C Poole, 1999-02-26 This lively and wide ranging textbook provides an invaluable guide to the very nature of language By covering all major aspects of linguistics with chapters on semantics the study of meaning phonology the sound systems of languages and morphology the structure of words as well as syntax and social variation it gives a thorough grounding in the fundamental concepts of language and a practical analysis of its use Concise summaries of the areas covered a variety of texts and topic related exercises as well as a helpful glossary provide further aids to study and revision

Encyclopedia of Linguistics Philipp Strazny, 2013-02-01 Utilizing a historical and international approach this valuable two volume resource makes even the more complex linguistic issues understandable for the non specialized reader Containing over 500 alphabetically arranged entries and an expansive glossary by a team of international scholars the Encyclopedia of Linguistics explores the varied perspectives figures and methodologies that make up the field

Historical and Sociolinguistic Approaches to French Janice Carruthers, Mairi McLaughlin, Olivia Walsh, 2024-06-24 This volume brings together two particularly dynamic areas of contemporary research on the French language The chapters showcase the most innovative current scholarship in historical linguistics sociolinguistics and in the burgeoning field of historical sociolinguistics which lies at their intersection The research across the volume is strongly data centred drawing on a wide range of both well established and more novel theoretical and methodological approaches in order to open up new perspectives on the study of the French language in the twenty first century Although it is written in English the work presented here is underpinned by a range of different approaches from across the Francophone and Anglophone worlds Particular emphasis is placed on combining quantitative and qualitative approaches on diversifying tools methods and objects of inquiry and on adopting comparative and multilingual perspectives where these shed new light on important questions relating to French In these ways Historical and Sociolinguistic Approaches to French highlights some of the most exciting new directions for linguistic research on the French language

The Sociolinguistic Competence of Immersion Students Raymond Mougeon, Terry Nadasdi, Katherine Rehner, 2010-01-01 This book reports the findings of an extensive research project on the acquisition of the native norms of spoken French variation by French immersion students who have learnt their second language primarily in an educational context The project focused on a range of phonetic lexical and grammatical sociolinguistic variants documented in studies of contemporary first language varieties of spoken French and assessed the extent to which the students master the linguistic and extra linguistic factors which govern variant choice The

book also discusses pedagogical strategies to improve the students mastery of spoken French variation The book represents an important contribution to an under researched aspect of advanced Second Language Acquisition in an institutional setting

BOOK JACKET *Manual of Romance Sociolinguistics* Wendy Ayres-Bennett, Janice Carruthers, 2018-06-11 The Romance languages offer a particularly fertile ground for the exploration of the relationship between language and society in different social contexts and communities Focusing on a wide range of Romance languages from national languages to minoritised varieties this volume explores questions concerning linguistic diversity and multilingualism language contact medium and genre variation and change It will interest researchers and policy makers alike

Sociolinguistics And Contemporary French Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sociolinguistics And Contemporary French has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociolinguistics And Contemporary French has opened up a world of possibilities. Downloading Sociolinguistics And Contemporary French provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the

click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociolinguistics And Contemporary French has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociolinguistics And Contemporary French. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociolinguistics And Contemporary French. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociolinguistics And Contemporary French, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociolinguistics And Contemporary French has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sociolinguistics And Contemporary French Books

1. Where can I buy Sociolinguistics And Contemporary French books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
