## **Sociological Ambivalence And Other Essays:**

**Sociological Ambivalence and Other Essays** Robert King Merton, 1976      **Robert K. Merton and Contemporary Sociology** Carlo Mongardini, 2018-04-17 This volume offers scholars of sociology and allied areas the fruits of an international conference on the contributions of the eminent Robert K Merton. The assessment is as good in content as well as in participants took place in Amalfi Italy with the participation of Merton himself and under the auspices of the Italian Sociology Association. Carlo Mongardini aptly summarizes the unique impact of Merton on the social theory of our century. His strength as a classic writer lies in his balance unveiling complexity and in his humanism which looks beyond the apparent simplicity and coherence of social reality. A special treat is the final chapter by Merton reviewing Unanticipated Consequences and Kindred Sociological Ideas. In it he ranges from the historical antecedents of the concept to his own evolution in the use and expansion of the idea. Merton approaches the development of his thought as installments rather than simple evolution and in so doing gives us unique insight into how he built upon his originating notions in the context of social science as it existed in the United States. Tensions between integrating scholarship and reaching the general public provide a special insight into Merton that might prove new even to those who know his work well. Contributors to this original volume include Volker Meja, Nico Stehr, Paolo Ammassari, Gianni Statera, Birgitta Nedelmann, Harriet Zuckerman, Piotr Sztompka, Peter Gerlich, Charles Crothers, Elena Besozzi, and Arnold Zonglerle among others. The chapters address the full range of Merton's work with special emphasis on such areas as anomie, structural analysis, the relationship of theory to research, patterns of latent and manifest influence, and even the application of Mertonian concepts to the analysis of Merton as a scholar. This unusual compendium translated from the Italian will interest social researchers across the academic spectrum.

**American Sociological Theory** Robert Bierstedt, 2013-09-24 American Sociological Theory: A Critical History discusses the history of American sociological theory by providing a selective and critical account of ten writers largely involved in the subject. Chapters 1 to 10 of this book are devoted to the contributions and investigations of ten acclaimed sociological theorists: William Graham Sumner, Lester Frank Ward, Charles Horton Cooley, Edward Alsworth Ross, Florian Znaniecki, Robert Morrison MacIver, Pitirim A. Sorokin, George A. Lundberg, Talcott Parsons, and Robert K. Merton. The sociological label, legacy of Spencer, normative taboo, American references, and the Holy Trinity Marx, Durkheim, and Weber are also elaborated in this text. This publication is a good reference for students and researchers conducting work on general sociological theory.

*Social Theory as a Vocation* Donald N. Levine, 2017-07-28 In this unprecedented collection, Donald N. Levine rejuvenates the field of social theory in the face of lagging institutional support. The work canvasses the universe of types of theory work in sociology and offers probing examples from his array of scholarly investigations. *Social Theory as a Vocation* throws fresh light on the texts of classic authors: Comte, Durkheim, Simmel, Weber, Park, Parsons, and Merton. Ranging widely, its substantive chapters deal with the sociology of strangers and the somatic dimensions of social conflict, the social functions of ambiguity,

and the use of metaphors in science contemporary dilemmas of Ethiopian society logical tensions in the ideas of freedom and reason and the meaning of nationhood in our global era The book includes Levine's transformative analysis of the field of Ethiopian studies and his acclaimed interpretation of the discontents of modernity It makes the bold move to merge philosophically informed analyses with empirical work Finally Levine focuses on what he views as the contemporary crisis of liberal education and offers suggestions for ways to stimulate new efforts in teaching and learning to do social theory This book is an integral contribution to social science collections and should be read by all interested in the future of the social sciences

The Politics of Expertise Stephen P. Turner, 2013-11-07 This book collects case studies and theoretical papers on expertise focusing on four major themes legitimation the aggregation of knowledge the distribution of knowledge and the distribution of power It focuses on the institutional means by which the distribution of knowledge and the distribution of power are connected and how the problems of aggregating knowledge and legitimating it are solved by these structures The radical novelty of this approach is that it places the traditional discussion of expertise in democracy into a much larger framework of knowledge and power relations and in addition begins to raise the questions of epistemology that a serious account of these problems requires

Social Control and Multiple Discovery in Science Susan E. Cozzens, 1989-01-01 Recognition for accomplishment is a major institutional reward in the scientific community thus regulating disputes over credit for discovery can be viewed as an important problem in social control Cozzens examines a well known dispute one that took place with the discovery of the opiate receptor in neuropharmacological research The issues Cozzens discusses priority disputes social control and norms and morals are important throughout the sciences they are crucial factors in the lives of scientists the functioning of scientific communities and the day to day operations of scientific organizations

Women in Law Cynthia Fuchs Epstein, 2012-03-10 Universally considered to be pathbreaking landmark original and provocative since its first edition was published three decades ago WOMEN IN LAW continues to provide a sociological and historical analysis of the overt and subtle ceilings placed on women in the legal profession in their various roles It is a foundational work for departments of gender studies law and sociology but also reads as accessible and interesting to a general audience Adding a new foreword by Stanford's Deborah Rhode the thirtieth anniversary edition of this classic book reports countless revealing interviews war stories and inside glimpses of the many professional roles that women inhabit lawyers judges professors leaders and backroom labor It also brings vividly to life the candid and sometimes cringeworthy assessments by male lawyers and judges about the changes to the profession ushered in by the increasing entry of women to the lawyers club Part of the Classics of Law Society Series from Quid Pro Books Adds a new Foreword from Stanford's Deborah Rhode

**The Future of the Sociological Classics (RLE Social Theory)** Buford Rhea, 2020-07-26 In this important volume of specially commissioned essays nine leading sociologists present their answers to the question What use are the sociological classics today They report on the latest scholarship on neglected features of the various masters on promising applications and

unrecognised implications      Liquid Organization Jerzy Kociatkiewicz, Monika Kostera, 2014-03-14 Widely known as a leading intellectual Zygmunt Bauman's thinking is often categorized as sociology or philosophy. But his work has been hugely influential in other fields as well, not least within organization studies. From increasing management control and growing standardization of work activities to the increase in uncertainty and insecurity experienced by contemporary workers, organizations themselves are becoming ever more ephemeral entities. Bauman's themes: globalization, liquid modernity and postmodern ethics are arguably fundamental to contemporary notions of organization and management, and his thinking has never been more relevant. However, despite the obvious and continuing influence of Bauman's ideas on business studies, there has been no comprehensive attempt to chart his impact on organization theory. In this innovative and insightful collection, an international selection of leading management scholars explore key topics in current organizational discourse, including networked organizations, control and ambiguity, technologies, work and responsibility, extending Bauman's liquid modernity to the liquid organization. The book will be essential reading for scholars and academics, and students in management and organizational theory, and also sociology, managing culture and organizational ethnography.      **Clinical Sociology** Puspa Melati Wan, Abdul Halim Wan, 2020-07-29 This lucidly written textbook covers the historical background of clinical sociology as a field and its developing trends around the world. It addresses the urgent need for sociologists to develop a clinical approach in their effort to improve society, with the emphasis that clinical sociology should complement the work of other disciplines such as clinical psychology, social work and social anthropology. This book discusses in depth the concept of clinical sociology itself and the obligations of clinical sociologists. It fills a gap in the literature which reveals a lack of discussion and consensus on the roles and responsibilities of clinical sociologists, therefore making an important contribution to clinical sociology and sociology more broadly. Graduate students, practitioners and professionals in the field of clinical sociology, social work and other related disciplines will find this book very useful.      **The Legacy of Anomie Theory** Freda Adler, William S. Laufer, 2020-03-06 This sixth volume of *Advances in Criminological Theory* is testimony to a resurgent interest in anomie strain theory, which began in the mid 1980s and continues unabated. Contributors focus on the new body of empirical research and theorizing that has been added to the anomie tradition that extends from Durkheim to Merton. The first section is a major 75 page statement by Robert K. Merton examining the development of the anomie and opportunity structure paradigm and its significance to criminology. *The Legacy of Anomie Theory* assesses the theory's continuing usefulness, explains the relevance of Merton's concept of goals-means disparity as a psychological mechanism in the explanation of delinquency, and compares strain theory with social control theory. A macrosociological theoretical formulation is used to explain the association between societal development and crime rates. In other chapters, anomie is used to explain white collar crime and to explore the symbiotic relationship between Chinese gangs and adult criminal organizations within the cultural, economic and political context of the American Chinese community.      *On Social Structure and Science* Robert

K. Merton, 1996-09-15 Robert K Merton is unarguably one of the most influential sociologists of his time A figure whose wide ranging theoretical and methodological contributions have become fundamental to the field Merton is best known for introducing such concepts and procedures as unanticipated consequences self fulfilling prophecies focused group interviews middle range theory opportunity structure and analytic paradigms This definitive compilation encompasses the breadth and brilliance of his works from the earliest to the most recent Merton s foundational writings on social structure and process on the sociology of science and knowledge and on the discipline and trajectory of sociology itself are all powerfully represented as are his autobiographical insights in a fascinating coda Anchored by Piotr Sztompka s contextualizing introduction Merton s vast oeuvre emerges as a dynamic and profoundly coherent system of thought a constant source of vitality and renewal for present and future sociology

The Social Lens Kenneth Allan, 2010-05-13 The Social Lens An Invitation to Social and Sociological Theory Second Edition is an upper division undergraduate social theory textbook that introduces the student to the major classical and contemporary theorists The theorists were chosen for the diversity of their perspectives as well as their ability to introduce the student to contemporary theory Dr Allan uses a lively informative writing style to engage the students in the eras of social change that spawned the major sociological theories and then applies them to the current era which also is experiencing major social change

Rethinking Race, Politics, and Poetics Brett St Louis, 2007-12-12 This book assesses the oeuvre of Trinidadian activist intellectual C L R James in its entire polymath range analyzing his writings across disciplines and genres as well as his varied political and cultural concerns

*Functionalist Construction Work in Social Science* Peter Sohlberg, 2021-03-31 An understanding of the complex consequences of social processes and social design activities necessitates a holistic systemic perspective systematised in the classic structural functional research tradition which is presented in *Functionalist Construction Work in Social Science* In contrast to fragmented discussions of functionalism and functional analyses the approach here covers a span ranging from ontological epistemological and primarily methodological aspects of functionalism The functionalist tradition in social science is placed in a historic context and problematised from a philosophy of science perspective Unique here is a detailed account of four classic functionalist research programmes with a discussion of functionalism not primarily as a worldview but as systematic knowledge generating research strategies In addition to descriptive and causal questions the importance of a further research question is demonstrated i e the identification of crucial problems of social organisation Functionalist research strategies and functional analysis are of interest for social scientists and students in sociology political science and social anthropology Moreover the book is relevant for researchers and students of philosophy of science and social science methodology

### **Ritual and Its Consequences** Adam B. Seligman, Robert P. Weller, Bennett Simon, Michael J., Michael J.

Puett, Simon, 2008-02-21 Drawing on examples from many places and times this work argues for the continuing tension across historical contexts between movements emphasizing ritual and movements emphasizing sincerity It contends that our

contemporary age has at great risk downplayed the importance of ritual

**The Nonprofit Sector in International Perspective** Estelle James, 1989 Publisher Description American Social and Political Thought Andreas Hess, 2003-04 This concise comprehensive primer on modern American social and political thought is the ideal introduction to the rich intellectual tradition of the United States Andreas Hess helps the reader to understand of American culture and politics through careful exploration of key and theorists In the first half of the book he focuses on the core traditions of American social and political thought American exceptionalism Calvinist Protestantism republicanism liberalism and 20th century pragmatism The second half of the book applies these traditions to a broad range of 20th century conditions and issues power and democracy justice and injustice multiculturalism and pluralism civil society social theory and the role of the intellectual The works of some of the most influential figures in the field such as De Tocqueville Lipset Arendt Hartz Pocock Dewey Moore Rawls Walzer Rorty and Alexander are drawn upon to illustrate the theories and issues being discussed Accessibly written and jargon free this treatment will be useful for students and scholars alike

**Adam Smith's Political Philosophy** Craig Smith, 2006-01-16 When Adam Smith published his celebrated writings on economics and moral philosophy he famously referred to the operation of an invisible hand Adam Smith's Political Philosophy makes visible this hand by examining its significance in Smith's political philosophy and relating it to similar concepts used by other philosophers thus revealing a distinctive approach to social theory that stresses the importance of the unintended consequences of human action The first book to examine the history of Smith's political philosophy from this perspective this work introduces greater conceptual clarity to the discussion of the invisible hand and the related notion of unintended order in the work of Smith as well as in political theory more generally By examining the application of spontaneous order ideas in the work of Smith Hume Hayek and Popper this important volume traces similarities in approach and from these constructs a conceptual composite model of an invisible hand argument While setting out a clear framework of the idea of spontaneous order the book also builds the case for using this as an explanatory social theory with chapters on its application in the fields of science moral philosophy law and government

Social Dynamics of the Life Course Walter R. Heinz, Victor W. Marshall, In the last two decades research on the life course has successfully combined and integrated different and rather isolated fields of social concerns such as the labor market family solidarity education employment retirement and social policy It has also developed a special focus on crucial problems of sociological research which includes the understanding of micromacro phenomena the dynamics of social change and international comparisons Contributors to this volume take an international comparative approach in applying the life course theoretical framework to issues of work and career Life course research focuses on the relationship between institutions and individuals across the life span and illuminates the impact of modernization on the shaping of biographies Industrial service societies are characterized by historically new contingencies of living arrangements and biographies These contingencies differ according to the extent to which life course patterns are

regulated by social institutions In the continental European context institutional frameworks continue to define the timing and sequencing of transitions across the life course In less regulated market societies like the United States and Great Britain biographies and living arrangements are shaped more by the interaction of markets social networks and individual decisions In active welfare states institutional resources and rules continue to mediate the effects of social change on the life course What the editors and contributors to this fine compendium anticipate is a change on the cultural level toward more equality This trend supports young people and women in particular in their expectations concerning an egalitarian relationship This expectation is not taken for granted from the point of view of the male partner but has to be negotiated in decisionmaking processes as an issue that concerns the couple as a unit Thus the way in which people interact is profoundly impacted by the values and goals of equity demands Walter R Heinz is professor of sociology and social psychology and director Graduate School of Social Sciences University of Bremen Victor W Marshall is professor of sociology and director of the Institute on Aging University of North Carolina at Chapel Hill Carolina

### **Sociological Ambivalence And Other Essays Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sociological Ambivalence And Other Essays PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sociological Ambivalence And Other Essays PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sociological Ambivalence And Other Essays free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Sociological Ambivalence And Other Essays Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sociological Ambivalence And Other Essays is one of the best book in our library for free trial. We provide copy of Sociological Ambivalence And Other Essays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sociological Ambivalence And Other Essays. Where to download Sociological Ambivalence And Other Essays online for free? Are you looking for Sociological Ambivalence And Other Essays PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sociological Ambivalence And Other Essays. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sociological Ambivalence And Other Essays are for sale to free while some are payable. If you arent sure if the books you would like to

download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sociological Ambivalence And Other Essays. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sociological Ambivalence And Other Essays To get started finding Sociological Ambivalence And Other Essays, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sociological Ambivalence And Other Essays So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sociological Ambivalence And Other Essays. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sociological Ambivalence And Other Essays, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sociological Ambivalence And Other Essays is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sociological Ambivalence And Other Essays is universally compatible with any devices to read.
