Story Of An Accusation:

Story of an Accusation Terence Reese, 2004 Told by Terence Reese who along with Boris Shapiro was accused of cheating at the highest levels of bridge *The God of Story* Daniel Schwabauer, 2025-02-18 Many of us have been taught to read Scripture as a collection of information that needs to be categorized systematized and analyzed verse by verse concept by concept But the Bible isn't a jigsaw puzzle and it wasn't written in just Hebrew Aramaic and Greek It was also written in the language of story And as with every good story we get to meet colorful characters unravel mysteries and see the world from a different point of view It all makes more sense when understood from the perspective of storytelling In *The God of Story* Daniel Schwabauer explores the narrative principles of theme context characterization voice and plot as a lens for understanding the cosmic story arc of God's relationship to humanity By including creative retellings of biblical stories he demonstrates how to engage Scripture with imagination For a fresh approach to reading the Bible and discovering how its stories connect to your own start by learning to see God as the master storyteller **The Shape of Luke's Story** Robert C. Tannehill, 2005-11-01 Because of Luke's unique literary achievement in the Gospel of Luke and Acts these two works raise a variety of interesting and important issues for the exegete In this important collection of essays Tannehill demonstrates why he has been in the forefront of Luke Acts research for more than three decades His nuanced approach to the intersection of literary theological and social features in the texts marks these as required reading for any interpreter of the gospels

The Romance of Adultery Peggy McCracken, 2013-04-05. Peggy McCracken offers a feminist historicist reading of Guenevere Iseut and other adulterous queens of Old French literature and situates romance narratives about queens and their lovers within the broader cultural debate about the institution of queenship in twelfth and thirteenth-century France. Moving among a wide selection of narratives that recount the stories of queens and their lovers, McCracken explores the ways adultery is appropriated into the political structure of romance.
