sciences Across two volumes The SAGE Handbook of Historical Geography provides you with an an international and cross disciplinary overview of the field presenting chapters that examine the history present condition and future potential of the discipline in relation to recent developments and research **The United States Catalog** Mary Burnham,Carol Hurd,1928

Narrative and Critical History of America Justin Winsor,1889 *Geography and Anthropology* Harvard University. Library,1979 **Imagining Atlantis** Richard Ellis,2012-01-11 Ever since Plato created the legend of the lost island of Atlantis it has maintained a uniquely strong grip on the human imagination For two and a half millennia the story of the city and its catastrophic downfall has inspired people from Francis Bacon to Jules Verne to Jacques Cousteau to speculate on the island s origins nature and location and sometimes even to search for its physical remains It has endured as a part of the mythology of many different cultures yet there is no indisputable evidence let alone proof that Atlantis ever existed What then accounts for its seemingly inexhaustible appeal Richard Ellis plunges into this rich topic investigating the roots of the legend and following its various manifestations into the present He begins with the story s origins Did it arise from a common prehistorical myth Was it a historical remnant of a lost city of pre Columbians or ancient Egyptians Was Atlantis an extraterrestrial colony Ellis sifts through the scientific evidence marshaled to prove these theories and describes the mystical and spiritual significance that has accrued to them over the centuries He goes on to explore the possibility that the fable of Atlantis was inspired by a conflation of the high culture of Minoan Crete with the destruction wrought on the Aegean world by the cataclysmic eruption around 1500 b c of the volcanic island of Thera or Santorini A fascinating historical and archaeological detective story Imagining Atlantis is a valuable addition to the literature on this essential aspect of our mythohistory **Narrative and Critical History of America: Aboriginal America. 1889** Justin Winsor,1889
