Never Say Boo to a Ghost John Foster, 2003 John Foster and Korky Paul's phenomenally successful poetry partnership began over 10 years ago with the publication of this book The combination of John's inspired witty selection of poems with Korky's crazily imaginative and anarchic illustrations has proved exceptionally popular Features a fantastic range of poets including Jack Prelutsky Tony Bradman Adrian Henri Ian Serraillier and Judith Nicholls The mixture of funny poems and zany illustrations makes this book a great way to introduce young children to poetry

Someone I Like, 2000 Sisters brothers teachers parents grandparents best friends everyone must learn about and live in relationships from an early age In this fine anthology of poems compiled by poet Judith Nicholls all kinds of human relationships are explored sometimes comically sometimes poignantly Poems by Gwendolyn Brooks Charlotte Zolotow Langston Hughes Eloise Greenfield and many other well known and less familiar writers fill the beautifully illustrated pages with wit and soul Giovanni Manna's china ink and watercolor paintings have an unusual appealing feel and perfectly complement each poem whether it was written in China in the first century B C or last year at a computer in a New York apartment building Common themes such as new sibling ambivalence fights among friends and aging grandparents are covered as well as imaginary playmates and overly kissy aunts Rhythm and rhyme lilting musical verses readers do not need to be poetry aficionados to fall in love with this marvelous collection As in this poem by Andrew Collett about a teacher telling stories to her class these poems take us far away We all sit in silence we just sit and stare for when teacher tells us stories she makes us feel we're there
