Story Of Jacob Rachel And Leah Archs:

The Story of Jacob, Rachel, & Leah Yvonne Holloway McCall, 1986 **The Story of Jacob, Rachel and Leah** Yvonne H. McCall, 1986-04-01 Narrates in rhyme the story of Jacob and his marriage to Leah and Rachel **Jacob's Story as Christian Scripture** Philip H. Kern, 2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob s Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons Jacob s blessings give shape to Balaam s oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah Prophetic appropriation of Jacob s story presented here via a fresh investigation of OT passages from Jeremiah Obadiah Micah and others includes troubling elements of Jacob s character to indict the nation in the hope that God s people like the patriarch will stop being Jacob and become Israel **Sister to Sister** Patricia Foster, 2011-05-11 Sister to Sister includes essays and stories by Meena Alexander Robin Behn Louise DeSalvo Erika Duncan Maria Flook Patricia Foster Bonnie Friedman Donna Gordon Lucy Grealy Joy Harjo Bell Hooks Pam Houston Jesse Lee Kercheval Lori Hope Norris Letty Cottin Pogrebin Mona Simpson Debra Spark Joan Wickersham Joy Williams **The Book of the Torah, Second Edition** Thomas W. Mann, 2013-10-23 The first five books of the Bible contain many of its most famous stories populated by vivid characters altogether human in their triumphs and failings and an equally complicated deity Many works of Western art and literature appeal to these stories from Michelangelo s painting of Adam and Eve to a novel like William Faulkner s The three great Abrahamic religions Judaism Christianity and Islam are rooted here So is much of Western political theory and constitutional polity for a good half of these books contains legislation torah of various kinds as indicated by the ancient title the book of the Torah Law and narrative together render the character of the ancient covenant community known as Israel as well as the God who rules over that community In this revised and expanded version of his popular book of 1988 Mann engages literary criticism and theology in attending both to the composite nature of the Torah or Pentateuch and to its final canonical shape Mann s study provides a lucid introduction to the heart of the Hebrew Bible suitable for students and general readers but also of interest to biblical scholars **Connections: A Lectionary Commentary for Preaching and Worship** Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2020-04-14 Designed to empower preachers as they lead congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life

Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship
Connections is published in partnership with Austin Presbyterian Theological Seminary **Ruth and Naomi** Concordia
Publishing House,1984-04 So often today poor Naomi gets left out of the story of Ruth But it was to Naomi that Ruth gave
her love and this book will set it straight **The Lost Matriarch** Jerry Rabow,2014-09-01 The Lost Matriarch offers a
unique response to the sparse and puzzling biblical treatment of the matriarch Leah Although Leah is a major figure in the
book of Genesis the biblical text allows her only a single word of physical description and two lines of direct dialogue The
Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob the husband she
shares with three other wives including her beautiful younger sister Rachel Fortunately two thousand years of traditional and
modern commentators have produced many fascinating interpretations midrash that reveal the far richer story of Leah
hidden within the text Through Jerry Rabow s weaving of biblical text and midrash readers learn the lessons of the
remarkable Leah who triumphed over adversity and hardship by living a life of moral heroism The Lost Matriarch reveals
Leah s full story and invites readers into the delightful provocative world of creative rabbinic and literary commentary By
experiencing these midrashic insights and techniques for reading between the lines readers are introduced to what for many
will be an exciting new method of personal Bible interpretation Adam's Story Louise Ulmer,1985 Of all men since the
beginning of time none most likely has been more aware of this than Adam who was created in the image of God by God
Himself who shared with his Creator the joys of a perfect world and who with Eve experienced firsthand the profound impact
and tragedy of the Fall not only on himself and Eve but on all of God s creation as well **Byzantine Aspects of Italy**
Daniel Crena de Iongh,1967 In this illustrated handbook the author guides the reader to the surviving treasures of Italy s
Byzantine heritage the mosaics paintings and sculpture in churches palaces catacombs grottoes and museums from Milan
and Venice in the north to Calabria and Sicily in the south
