Story Of My Life By Shayna:

The Story of My Life - By Shayna Greta Marsh,2003-04-15 The story of my life is about dog racing and a good deal more It is about cruelty the human capacity for cruelty towards human animals and animals of other species Dog racing commonly known as Greyhound racing is not a sport because no legitimate sport uses enslaved involuntary participants and murders many of them once they start losing and no longer are competitive and profitable Dog racing is in fact a deadly form of entertainment as are horse racing dog fighting cock fighting hunting and circuses that use enslaved other specied animals Incidentally I remember Greta talking about a form of entertainment that was popular in Ancient Rome and which took place in public arenas There enslaved humans known as gladiators were forced to engage in deadly combat against each other to the delight of cheering crowds Often the losing gladiator was killed outright and sometimes he lived depending upon the mood of the spectators Unlike some spectator sports whose fans identify with and form emotional attachments to the athletes dog racing fans care little or nothing about the Greyhounds This detachment can be attributed to the racers short racing careers some race for just one season or part of a season at a specific track and then are shipped elsewhere But let s return to my story Please know that I am real as are other characters On the other hand some characters are not real They are fictional And although some of the events discussed in Part One are based on real happenings some are not and Part One is a work of fiction In conclusion I hope with all my heart that this book touches the hearts and minds of its readers Shayna Lanesboro MA 1998

Oakland'S Citywide Poetry Anthology Barbara Tavres,2010-11-12 POETRY Art is the universal language of the soul In its truest form it lifts the spirit and consciousness of not only those that create it but every being that experiences it For it is this attribute we believe above all others that unites us as one human family In our darkest moments it is this light that shines through the artist into the hearts and minds of the world Th is anthology is the perfect opportunity for us not to only listen to but to see life through the eyes of theses amazing young poets And in doing so we look beyond the challenges of today to the hopes dreams and answers of tomorrow We are not defi ned by the things we possess or the clothes that we wear but by our imagination of things others cannot see It pleases us to support Project SOAR a Federal funded project that encourages students to open their minds and hearts To imagine and to reach beyond what they know so far into the world of their hearts where a wonderful future lies And this project is inspirational as well as practical because it gives students tools to make their dreams come true For it is this that makes us truly architects of a new dawn Carlos Santana Guitarist Founder for AOAND [www architectsofanewdawn com](http://www.architectsofanewdawn.com) Gerald G Jampolsky M D and Diane Cirincione

In the summer of 1977 Terri Jentz and her Yale roommate Shayna Weiss make a cross country bike trip They pitch a tent in the desert of central Oregon As they are sleeping a man in a pickup truck deliberately runs over the tent He then attacks them with an ax The horrific crime is reported in newspapers across the country No one is ever arrested Both women survive but Shayna suffers from amnesia while Terri is left alone with memories of the attack Their friendship is shattered Fifteen years later Terri returns to the small town where she was nearly murdered on the first of many visits she will make to solve the crime that would solve me And she makes an extraordinary discovery the violence of that night is as present for the community as it is for her Slowly her extensive interviews with the townspeople yield a terrifying revelation many say they know who did it and he is living freely in their midst Terri then sets out to discover the truth about the crime and its aftermath and to come to terms with the wounds that broke her life into a before and an after Ultimately she finds herself face to face with the alleged axman Powerful eloquent and paced like the most riveting of thrillers Strange Piece of Paradise is the electrifying account of Terri's investigation into the mystery of her near murder A startling profile of a psychopath a sweeping reflection on violence and the myth of American individualism and a moving record of a brave inner journey from violence to hope this searing unforgettable work is certain to be one of the most talked about books of the year [A Cursed Bloodline](#)
