

How to Describe Clouds in a Story

A dramatic landscape photograph featuring a vast, dark, and turbulent sky filled with heavy, dark grey and black clouds. A bright, ethereal light source, possibly the sun or moon, is partially obscured by a large, billowing white cloud in the center, creating a strong contrast and a lens flare effect. The light illuminates the edges of the clouds and the surface of the water below. The foreground shows a dark, textured shoreline or beach meeting the calm, dark water of a lake or sea. The overall mood is mysterious, powerful, and atmospheric.
