Story Of Nim The Chimp Who Learned Language:

The Story of Nim Anna Michel,1980-01-01 Relates the story of Nim a chimpanzee who is being taught to use sign language to talk as part of a program to study language acquisition by animals **Understanding Language 2e** Elizabeth Winkler,2012-01-26 **Nim Chimpsky** Elizabeth Hess,2008 Chronicles an experiment with a young chimpanzee who was brought up with a human family and taught to use sign language proficiently until the funding for the study ended and he spent two decades shuttled in and out of various facilities *You Can't Say That!* Leonard S. Marcus,2023-08-22 Sharing candid interviews with 13 top children s and young adult authors who discuss why their books have faced censorship a historian and critic puts First Amendment challenges into historical context and examines the support network that protects and defends young people s rights Provided by publisher Understanding Language Elizabeth Grace Winkler,2015-07-09 Understanding Language is the second edition of this introduction to linguistics aimed at all students who are new to the subject The book is comprehensive in its coverage of the key areas of linguistics yet explains these in an easy to understand jargon free way Pictures diagrams tables and suggestions for further reading together with Grace Winkler s witty prose make this an accessible student friendly guide which should enable students to navigate this often complicated area of study Topics covered include language acquisition speech sounds the make up of words grammar meaning communication the history of English language variation and change language and technology This is an essential introduction for any student taking linguistics at university whether as their main subject of study or in conjunction with related fields **Recommended Readings in Literature, K-8** DIANE Publishing Company,1996-02 Compiled by teachers administrators curriculum planners and librarians Designed to 1 encourage school children to read and to view reading as a worthwhile activity 2 help local curriculum planners select books for their reading programs and 3 stimulate educators to evaluate and improve their literature programs More than 1 200 annotated titles represent the finest works of fiction nonfiction poetry and drama The literary contributions of specific ethnic and cultural groups are represented Best seller Illustrated The Dawn of Language Sverker Johansson,2021-09-02 A model of popular science writing STEVEN POOLE Who was the first speaker and what was their first message An erudite tightly woven and beautifully written account of one of humanity s greatest mysteries the origins of language Drawing on evidence from many fields including archaeology anthropology neurology and linguistics Sverker Johansson weaves these disparate threads together to show how our human ancestors evolved into language users The Dawn of Language provides a fascinating survey of how grammar came into being and the differences or similarities between languages spoken around the world before exploring how language eventually emerged in the very remote human past Our intellectual and physiological changes through the process of evolution both have a bearing on our ability to acquire language But to what extent is the evolution of language dependent on genes or on environment How has language evolved further and how is it changing now in the process of globalisation And which aspects of language ensure that robots are not

yet intelligent enough to reconstruct how language has evolved Johansson's far-reaching authoritative and research-based approach to language is brought to life through dozens of astonishing examples both human and animal in a fascinatingly erudite and entertaining volume for anyone who has ever contemplated not just why we speak the way we do but why we speak at all Translated from the Swedish by Frank Perry *A Good and True Story* Paul M. Gould, 2022-11-15 Young adults today want authentic answers to their soul-deep questions about God They want meaningful ways to communicate those answers to others Most of all they want to know that they are living a life that matters In *A Good and True Story* philosopher, apologist, and international speaker Paul Gould leads readers on an engaging journey through eleven clues that suggest Christianity is not only true but satisfies our deepest longings This creative foray into the foundations of Christian truth explores the universe, morality, happiness, pain, beauty, and more for readers looking for culturally informed apologetics Ideal for college age and twentysomething readers, small group leaders, and anyone interested in the intersection of faith, philosophy, and culture *A Good and True Story* reminds readers that their search for identity and purpose is a gift from a loving and purposeful God **The Reading Teacher**, 1981 *Twenty-Four Stories From Psychology* John D. Hogan, 2019-08-12 A good story sets the stage for engaged learning Nowhere is this more important than in foundational courses such as Introductory or History of Psychology By weaving foundational and modern characters across a historical landscape John Hogan's *Twenty-Four Stories from Psychology* captivates readers with the rich stories of the who, what, where, why, and how for many of the major theories and colorful characters who have shaped the development of Psychology as a field
