helpful to the serious Bible student and the new beginner alike Alistair Begg senior pastor Parkside Church In Unlocking the Bible Story Colin Smith moves gradually through portions of the Bible to explain how it all holds together In so doing he tells God s one grand story of salvation and reflects on major themes along the way In volume 3 he moves through the Gospels and Acts which form the climax of salvation history and reveal our role in God s story Curious about the interpretive center of all of Scripture You ll find it here Includes the study guide formerly sold separately One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible s storyline To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole but also is crucial for developing a Christian worldview Colin Smith has met these needs admirably I hope these volumes will circulate widely and be read and re read D A Carson research professor New Testament at Trinity Evangelical Divinity School cofounder of The Gospel Coalition *New Testament Stories from the Back Side* Dr. J. Good Girls, Bad Girls of the New Testament T. J. Wray,2016-03-02 Good Girls Bad Girls of the New Testament takes readers on a powerful journey through the vast landscape of Roman occupied Judea during the first century and the genesis of Christianity This landscape serves as the backdrop for twelve amazing stories of women whose paths intersect either by providence or design with the paths of Jesus or Paul Some of these women are familiar such as Mary the mother of Jesus while others like the wife of the infamous Pontius Pilate are lesser known Whether she is popular or obscure good or bad each woman s story is an important part of the overall Christian narrative Good Girls Bad Girls of the New Testament invites readers to take a more nuanced look at twelve stories that feature women to explore their lives more deeply in historical context and to understand the real story that includes both men and women The book goes beyond simply telling the story of a particular biblical woman to challenge readers to explore the enduring lessons the ancient writers sought to impart These timeless lessons are as important for us today as they were thousands of years ago
