**Women in the Bible for Progressive Christians (Hebrew Scriptures)** Donald Schmidt, 2021-06-15 Women make up over one half of the world's population yet throughout history women have been kept out of power they have been oppressed and disregarded and have often had their stories ignored This is a tragedy not only for women but for all humankind because we all have much to gain by hearing one another's stories and by experiencing one another in all of our rich fullness not from a preconceived notion that one group or sex is superior to another This is important to note at the beginning because history has largely been told by men In particular the stories we have preserved from ancient times tell things from a male perspective and often ignore women Thus we often need to read between the lines and behind the words to really hear the stories of the women who played such a significant role in the events described in the biblical stories and by extension in our tradition Of course there are real differences between women and men just as there are real differences between men and women We are not all the same as individuals we are all different from each other Rather than a problem however we can see this as one of the greatest gifts God has given us the wonderful and amazing gift of difference The sessions in this study will invite you to explore the stories of some amazing biblical women to get to know them and to learn from them How might we live our lives in response to that

**Out of Exodus** Darryl W. Stephens, Michael I. Alleman, Andrea Brown, Ruth A. Daugherty, Mary Merriman, 2018-05-02 Biblical and progressive Mainline and charismatic Faithful and questioning This book is not what you think it is The story of the Exodus is told in parallel with testimonies sermons and personal reflections from a congregation in Lancaster Pennsylvania challenging the reader to a journey of faith Along the way it becomes clear that open and affirming ministry transcends LGBTQIA inclusion It is also about race relations poverty generational change divorce immigration and any other human created barrier to loving God and neighbor Tools for the journey Finding a new voice amid profound social change is a difficult and vitally important task Many congregations and entire denominations are in the process of figuring out how to express a new voice of faith particularly in our understanding of sexuality and gender

Christians are experiencing nothing less than a holy disruption caused by the Spirit among us The book concludes with a discussion of challenges to community and ministry Helpful appendices provide congregational resources and discussion questions for group study The stories in this book include experiences of and with persons in many denominational settings Roman Catholic Unitarian Universalist Presbyterian Church in Taiwan Metropolitan Community Church United Church of Christ United Brethren Church of the Brethren Society of Friends Quakers and United Methodist This is truly an ecumenical journey
