Cinderland Amy Jo Burns, 2015-09-08 A riveting literary debut about the cost of keeping quiet Amy Jo Burns grew up in Mercury Pennsylvania an industrial town humbled by the steel collapse of the 1980s Instead of the construction booms and twelve hour shifts her parents generation had known the Mercury Amy Jo knew was marred by empty houses old strip mines and vacant lots It wasn t quite a ghost town only because many people had no choice but to stay The year Burns turned ten this sleepy town suddenly woke up Howard Lotte its beloved piano teacher was accused of sexually assaulting his female students Among the countless girls

questioned only seven came forward For telling the truth the town ostracized these girls and accused them of trying to smear a good man s reputation As for the remaining girls well they were smarter They lied Burns was one of them But such a lie has its own consequences Against a backdrop of fire and steel shame and redemption Burns tells of the boys she ran from and toward the friends she abandoned and the endless performances she gave to please a town that never trusted girls in the first place This is the story of growing up in a town that both worshipped and sacrificed its youth a town that believed being a good girl meant being a quiet one and the long road Burns took toward forgiving her ten year old self Cinderland is an elegy to that young girl s innocence as well as a praise song to the curative powers of breaking a long silence The Gentleman's journal ,1869 *Theatre of Chance* Gerald Vizenor,2025-02-04 Theatre of Chance is the final novel in the series that started with Blue Ravens and continued with Native Tributes Satie on the Seine and Waiting for Wovoka A group of native puppeteers from the White Earth Reservation in Minnesota resume their adventures traveling from White Earth to an existential colony the urban reservation in Minneapolis Basile the native elder has become an editorial writer and the stowaways continue their creative puppet parleys in the context of the historical moment including the election of Richard Nixon as president Dummy Trout and the other stowaways secure a houseboat and with the loyal mongrels return to French Portage Narrows in Lake of the Woods the birthplace of Dummy There for the first time in more than seventy years she whispers a few words ending the shamanic silence of her marvelous encounters on the White Earth Reservation and in the native existential colony of Minneapolis **The Twin Eclipse of Desire** Eva Ravelle, A solar eclipse will plunge the coast into shadow and a cyber terrorist plans to use the darkness Billionaire innovator Julian Cross has seven days to stop a citywide blackout and two mirror image bodyguards who ve only ever trusted each other When Umbra hijacks Julian s satellite and tidal power networks with a ticking ultimatum he turns to Lara and Lyra Vale one breaks systems the other breaks lies From flooded intake tunnels to glass walled boardrooms the twins hunt a ghost threading his empire while a traitor inside feeds Umbra the keys Rules are set Proximity is non negotiable There s only one safe room and the chemistry inside it threatens every line they drew As totality nears the attacks escalate drones in the dark sabotaged fail safes a rooftop engineered for confessions Expose the mole live or watch the skyline die Keep their code or risk never walking out together Desire isn t a distraction it s the pact that might save them High heat high stakes first person rotating POV Twin heroines Protector client becomes partner Tech corporate intrigue Countdown suspense Guaranteed HEA Dive into a why choose romantic thriller where love outshines any shadow *The Stowaway* Robert Hough,2011-03-04 The Stowaway is at once a thrilling maritime adventure and a thought provoking morality tale based on real life events The novel begins in the spring of 1996 when Rodolfo Miguel a bosun on the Taiwanese container ship Maersk Dubai discovers a hungry and frightened pair of Romanian stowaways He presents them to his officers fully expecting that they ll be put to work or else dropped off at the nearest port Instead he and his fellow Filipino crewmen watch in silent horror as the Romanians are cast overboard in a

flimsy raft only to disappear beneath the ship's wake. The Stowaway moves seamlessly between two storylines. Aboard the Maersk Dubai, Rodolfo and his crewmen must deal with the emotional trauma of what they've seen as well as grapple with how to act on what they know. The atmosphere on the ship grows increasingly tense as fear, anxiety, and paranoia grip the Filipino sailors. Trapped witnesses to a crime, they wonder whom they can trust and whether they themselves will meet with the same fate as the stowaways. Meanwhile, a nineteen-year-old Romanian named Daniel Pacepa heads out on a nail-biting adventure from Bucharest to Algeciras. Poor, brave, and full of youthful indiscretion, Daniel is desperate to stow away on a ship and head to a better life in America. Along the way, he meets another Romanian named Gheorghe, and together they perform cheap labour, pose as evangelical Christians, and do whatever it takes to find their way to the Spanish port of Algeciras. Eventually, the two stories merge when Daniel and Gheorghe sneak onto the ill-fated Maersk Dubai. One man is killed, the other discovered by Rodolfo. Once again, the Filipino crewmen find themselves faced with an excruciating moral dilemma: Do they risk their own personal safety to save the life of a complete stranger? All of the scenes involving the Filipino sailors are as close to the truth as Robert Hough could manage, based on exhaustive interviews with the crewmen as well as on their letters and journals. Though Hough invented the Romanians' land adventure, he based the story on considerable research, including interviews with Romanian Canadians who had lived under the Ceausescu regime. Hough was widely praised for the deft way in which he mixes fact and fiction in *The Stowaway*. The critics were also unanimous in their admiration for the novel's ability to seduce with suspense while at the same time posing profound issues for the reader to ponder. This is a powerful novel that artfully combines the vivid, breathless pacing of the best adventure stories with the moral and metaphysical depth of the best literary fiction, said Quill Quire. And from the Vancouver Sun: Harnessing the force of fiction and the weight of history, Hough has created a powerful, deeply human masterpiece out of tragedy and inhumanity.
