Straight from the Horse's Mouth Amelia Kinkade, 2011-02-08
What if you could listen to your pet's thoughts and truly understand? What if your cat could reveal his mischievous secrets or your dog could tell you about her day? What if you could assure him you'd be back soon or comfort her about visiting the vet? You can, and animal communicator Amelia Kinkade will show you how. In *Straight from the Horse's Mouth*, she shares her practical program that has helped hundreds of clients break through to communicate with their pets. Using guided meditations and other exercises designed to increase intuition, you can learn to share memories, make plans, diagnose illness, track a disappearance and accept each other's differences. Read Amelia Kinkade's adventures in animal communication in all their hilarity, passion and tenderness, and know that you too can talk to animals and get answers.

Natural Healing for Cats, Dogs, Horses, and Other Animals Lisa Preston, Race Foster, 2012-02
In addition to traditional veterinary treatments, a wide range of alternative approaches is becoming more mainstream. *Natural Healing for Cats, Dogs, Horses and Other Animals* will help pet owners and caretakers understand their options. The author provides valuable advice and shows how to select a practitioner and to determine whether more than one alternative therapy is appropriate. We all want to give our pets the happiest, healthiest life possible; here is a book that shows the way.

The Language of Miracles Amelia Kinkade, 2010-10-06
As a professional animal psychic, Amelia Kinkade helps clients locate lost pets, diagnose baffling behavior and further explore the indelible bond that exists between people and their animal companions. But her real mission is to show that with the proper dedication, training and understanding, everyone can do what she does. Here she explains the subtle cues that form the foundation of animal communication, offering guided exercises to help readers explore these cues for themselves. With gentle encouragement, she shows how to look for signals typically drowned out in the noise and chaos of modern life, whether these communications take the form of clairaudience or clairvoyance. Filled with amazing stories, *The Language of Miracles* inspires readers to sit down with the animals in their lives and explore the unspoken world between them.
