Straight Talk On Spiritual Power:

Straight Talk on Spiritual Power Bill Hull, 2002 Careful scriptural examination of speaking in tongues Spirit baptism healing prophecy and miracles that affirms the Holy Spirit's full ministry today

Straight Talk on Spiritual Power Bill Hull, 2002-07-01 Every church wants to experience the fullness of God but many feel discomfort and confusion when the question of gifts of the Holy Spirit is raised What does it mean to move in the power of the Holy Spirit Isn't the issue of gifts of the Spirit divisive to evangelical churches Straight Talk on Spiritual Power begins with Bill Hull's own theological journey from being a student at a charismatic university to a cessationist to a pastor with a moderate position affirming the full ministry of the Holy Spirit in the church today Using Jesus as the ultimate model Hull searches the Scriptures and finds a consistent balance between the Word of God and the power of the Spirit He shares the gradual change in his own church as it grew to experience the gospel with power the Holy Spirit and deep conviction Conscious of the fears and confusion often surrounding this topic Hull carefully looks at topics such as speaking in tongues baptism in the Holy Spirit healing prophecy and miracles and offers thorough scriptural as well as practical instruction

The Disciple-Making Pastor Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor's role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church

Following Jesus Phillip C. Thraillkill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me

I Believed and Therefore I Spoke Timothy T. Jr Black, Timothy Black Jr., 2005-05 A riveting first person account of a family's battle against demons of God's miraculous intervention and of their introduction to a Holy Spirit they never knew before

Choose the Life Bill

Hull,2004-05-01 Many churches harbor harried congregations merely going through the motions sleepwalking saints who fail to experience transformed living Many are unable and unwilling to share the gospel convinced that it s not their gift True disciples do more than the minimum explains Hull They choose the life and commit to bringing Jesus to the lost They live out their beliefs and walk the walk Submission shows the doubting world that Christ is embedded in their character Choose the Life is a practical tool as accessible to laypeople as ministry leaders Any church seeking life changing significance will be challenged by this cutting edge resource No hand holding here Choose the Life shows church members how to take individual responsibility for both being discipled and discipling others **How to Hear from God Study Guide** Joyce

Meyer,2008-12-14 God wants to speak to you on a One to one basis every day He wants to take you step by step to the good things He has in store for you In the hustle and bustle of today s busy world sometimes it s hard enough to hear yourself think much less take a minute to stop and listen for the voice of God But learning to recognize God s voice and the many ways in which He speaks is vital toward following His plan In How to Hear from God bestselling author Joyce Meyer revealed the ways in which God delivers His word and the benefits of asking Him for the sensitivity to hear His voice In this companion study guide she takes you a step further leading you through an interactive process toward a greater understanding of how God is working in your life With thoughtful question and answer sections and further Scripture reading as well as a recap on each of the book s chapters Joyce Meyer has created an intimate and meaningful experience on the path to hearing God s Word for you personally The How to Hear From God Study Guide includes More Than 200 Questions Adapted From How to Hear From God and Relevant Scriptures A Workbook Styled Format so You Can Write Your Answers Directly into the Book A Section of Answers to Help Guide You in Your Own Personal Reflections on the Questions

Conversion and Discipleship Bill Hull,2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don t need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow
