**The Strained Alliance** Robert R. Simmons,1975      **The Ashgate Research Companion to the Korean War** Donald W. Boose,2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950 1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war      **China's Road to the Korean War** Chen Jian,1995-01-05 China s Road to the Korean War      *Encyclopedia of Conflicts Since World War II* James Ciment,2015-03-27 Thoroughly revised to include 25 conflicts not covered in the previous edition as well as expanded and updated information on previous coverage this illustrated reference presents descriptions and analyses of more than 170 significant post World War II conflicts around the globe Organized by region for ease of access *Encyclopedia of Conflicts Since World War II Second Edition* provides clear in depth explanations of events not covered in such detail in any other reference source Including more than 180 detailed maps and 150 photos the set highlights the conflicts that dominate today s headlines and the events that changed the course of late twentieth century history      *Strategy And Defense Policy For Small States: Problems And Prospects* Bernard F W Loo,2021-11-08 For students of Strategic Studies in small countries with limited financial human and military resources the available literature on Strategic Studies in particular texts that seek to explain the key concepts and components of Strategic Studies can be very alien in its focus to the strategic conditions and issues that these countries face This book contains a collection of essays that seeks to discuss key concepts in Strategic Studies as well as contemporary challenges in strategy and defence policy from the perspective of small states It is based on the idea derived from the German philosopher of war Carl von Clausewitz that there is a distinction between logic and grammar while the field of Strategic Studies contains a number of key concepts such as geopolitics and geostrategy strategic culture arms dynamics and the phenomenon of military modernization that are universal in logic the grammar that is the specific manifestations of these concepts in the contexts of small states is necessarily different from larger more materially endowed states Related Link s      **The Korean Workers' Party** Chong-Sik Lee,1978      **Korea: The War before Vietnam** Callum A MacDonald,1986-10-27 this study of the Korean War is a noteworthy addition to the literature of this conflict A

sometime brilliant and consistently disturbing work D Clayton James Mississippi State University MacDonald's powerful and richly detailed account of the Korean War renders all the painful details of American involvement A masterful account that should be widely read M Cantor University of Massachusetts Amherst      **Crisis Resolution** Richard G. Head, 2019-05-20 In the nuclear era the use of even low levels of force risks catastrophe for all mankind Yet military force remains an important element of political strategy and control and coordination of its use with other instruments of national power is of vital importance The authors of this book examining two crises that occurred during the Ford admini      The Wrong War Rosemary Foot, 2019-06-30 In 1951 General Omar Bradley declared publicly that war with China would involve the United States in the wrong war at the wrong place at the wrong time and with the wrong enemy Despite the stated intent of the U S to keep the Korean conflict from spreading the debate on extending the war was far more intense and protracted than previous accounts of this period have suggested Concentrating on the debate over expansion Rosemary Foot reveals the strains it caused both within the U S bureaucracy and between America and its North Atlantic allies She supplies important new information on the U S government's appraisal of Sino Soviet relations between 1950 and 1953 and makes clear that a high proportion of U S officials came to recognize the limited nature of Soviet support for China Explaining why the Eisenhower administration nearly unleashed nuclear weapons on China in the spring of 1953 Foot demonstrates that the Korean war would very likely have grown into a conflict of major proportions if the Chinese and North Koreans had not conceded the final issue of the truce talks the question of the voluntary repatriation of prisoners of war      The Encyclopedia of the Korean War Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC CLIO's distinguished list of reference works on military history The Encyclopedia of the Korean War A Political Social and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U S involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume
