Strange Fascination:

A Few Overs Digby Loder Armeroid Jephson, 1913 **Forever Stardust** Will Brooker, 2017-01-30 Most of the many books about David Bowie track his artistic changes chronologically throughout his career This book uniquely examines Bowie's sameness his recurring themes images motifs and concepts as an artist across all his creative work from lyrics and music through to costumes storyboards films plays and painting To be published on Bowie's 70th birthday *Forever Stardust* looks at Bowie's work not as a linear evolution through calendar time to his tragic death in January 2016 but as a matrix a dialogue a network of ideas that echo back and forth across the five decades of his career interacting with each other and with the surrounding culture It explores Bowie's creative output as a whole tracing the repetitions and obsessions that structure his work discovering what they tell us about Bowie in all his forms from Ziggy Stardust to David Jones David Bowie challenged cultural expectations from the early 1970s until his final masterpiece *Blackstar* *Forever Stardust* offers a new understanding of this remarkable significant artist **The Hunchback Missionary** Elsa Joubert, 2014-08-05 At a prayer meeting on a cold Rotterdam night the young clerk Aart Anthonij van der Lingen a pale sickly hunchbacked fish from the North is held in the charismatic Reverend Johannes Kicherer's thrall Lured by Kicherer's passion he leaves his grey and loveless life to land at the Cape of Good Hope as a lay missionary in 1800 But when the Missionary Society draws lots to determine where to send the new arrivals Van der Lingen is sent east and Kicherer north The hunchback missionary must make his own way in a place that on the surface God has forsaken until as the pitiless landscape and the blank faces of his would be congregants strip Van der Lingen incrementally of his pride he learns that he has nothing to give to the Africa that is ultimately his salvation Based on historical figures drawn from the Cape Town Church Archives *The Hunchback Missionary* by Elsa Joubert world renowned author of *The Long Journey of Poppie Nongena* is a sweeping narrative of vanity and humility of the sacred and the profane of how Europe's rampant strides across newly colonised Africa led to the abyss from which a continent still struggles today to retreat **Novels, Readers, and Reviewers** Nina Baym, 2018-03-15 This book describes and characterizes responses of American readers to fiction in the generation before the Civil War It is based on close examination of the reviews of all novels both American and European that appeared in major American periodicals during the years 1840-1860 a period in which magazines novels and novel reviews all proliferated Nina Baym makes use of the reviews to gain information about the formal aesthetic and moral expectations of reviewers Her major conclusion is that the accepted view about the American novel before the Civil War the view that the atmosphere in America was hostile to fiction is a myth There is compelling evidence she shows for the existence of a veritable novel industry and concomitantly a vast audience for fiction in the 1840s and 1850s **Hand in Hand Through the Happy Valley** Julia Adelaide Torrey Oertel, 2025-07-11 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
