Strange But True, America John Hafnor, 2009 Contains 101 curious tales and oddball facts about events and people from the fifty states *International Books in Print*, 1991 *Canadian Books in Print*, 1996 **Strange Events and More** Johanna Bertin, 2011-12-15 Myths and legends abound with tales of giants and their feats of exceptional strength witches and their powers of good and evil and the miraculous abilities of healers and medicine men The past comes alive in this selection of stories about extraordinary Canadians who have lived unusual lives Strange and Obscure Stories of the Civil War Tim Rowland, 2011-09-01 *Strange and Obscure Stories of the Civil War* is an entertaining look at the Civil War stories that don't get told and the misadventures you haven't read about in history books Share in all the humorous and strange events that took place behind the scenes of some of the most famous Civil War moments Picture a pedestal in a public park with no statue on top Rowland's book explains that when the members of the New York Monument Commission went to hire a sculptor to finish the statue they were shocked to discover that there was no money left in the agency's accounts to pay for the project The money for the statue of Dan Sickles had been stolen stolen by former monument committee chairman Dan Sickles Brig Gen Philip Kearny was the son of a New York tycoon who had helped found the New York Stock Exchange and who groomed his boy to be a force on Wall Street The younger Kearny decided his call was to be a force on the field of battle so despite a law degree and an inheritance of better than 1 million he joined the U S Army and studied cavalry tactics in France His dashing figure in the saddle earned him the name of Kearny the Magnificent probably because Kearny rode with a pistol in one hand and a sword in the other while holding the horse's reins in his teeth This habit proved useful after he lost his left arm in the Mexican War because he was able to continue to wave his sword with all the menace to which he was accustomed while still guiding his horse
