## STRANGE CULTS AND SECRET SOCIETIES OF MODERN LONDON

by

ELLIOTT O'DONNELL

Author of "Ghosts of London," "Family  
Ghosts and Ghostly Phenomena," etc.

Mr. O'Donnell is a collector of genuine ghostly phenomena, and in this book he describes some of the weird organizations that he has discovered in the City of London, such as the Thirteen Society and Thirteen Cult; the Hallow Club; Society of Black Magic; the Camorra; the Leopard and Panther People, and a Society of dangerous vampires, with many other weird and frightful cults, manifesting the vagaries of the human mind when it is seeking stimulation from the unnatural.

The author gives pen pictures of these dreadful remnants that come out and peep from only after London is in the shadow. In addition to the book's gripping and macabre quality, it contains a vast amount of information as to how these societies are formed and persist right in the heart of civilization.

**Spiritualism and British Society Between the Wars** Jenny Hazelgrove, 2000-09-02 Historians of modern British culture have long assumed that under pressure from secular forces interest in spiritualism had faded by the end of the Great War Jenny Hazelgrove challenges this assumption and shows how spiritualism grew between the wars and became part of the fabric of popular culture This book provides a fascinating and lively insight into an alternative culture that flourished and continues to flourish alongside more conventional outlets for spiritual beliefs and needs      *The Woman in White* Wilkie Collins, 2003-04-29 *The Woman in White* famously opens with Walter Hartright's eerie encounter on a moonlit London road Engaged as a drawing master to the beautiful Laura Fairlie Walter is drawn into the sinister intrigues of Sir Percival Glyde and his charming friend Count Fosco who has a taste for white mice vanilla bonbons and poison Pursuing questions of identity and insanity along the paths and corridors of English country houses and the madhouse *The Woman in White* is the first and most influential of the Victorian genre that combined Gothic horror with psychological realism For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators      [Mystics and Messiahs](#) Philip Jenkins, 2000 In this full length account of cults and anti cult scares in American history Jenkins gives accurate historical perspective and shows how many of today's mainstream religions were originally regarded as cults      **The Triumph of the Moon** Ronald Hutton, 2019-10-10 a brilliant history *The Sunday Times* makes for riveting reading *The Independent* Modern pagan witchcraft is arguably the only fully formed religion England has given the world and has now spread across four continents This second edition of *The Triumph of the Moon* extensively revises the first full scale scholarly study of modern pagan witchcraft Ronald Hutton examines the nature and development of this religion and offers a history of attitudes to witchcraft paganism and magic in British society since 1800 Its pages reveal village cunning folk Victorian ritual magicians classicists and archaeologists leaders of woodcraft and scouting movements Freemasons and members of rural secret societies We also find some of the leading figures of English literature from the Romantic poets to W B Yeats D H Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the public world since 1950 Thriller writers like Dennis Wheatley and films and television programmes get similar coverage as does tabloid journalism The material is by its nature often sensational and care is taken throughout to distinguish fact from fantasy in a manner not previously applied to most of the stories involved Meticulously researched *The Triumph of the Moon* presents an

authoritative insight into an aspect of modern cultural history which has attracted sensational publicity but has hitherto been little understood This edition incorporates new research carried out by the author as well as research by others who have been inspired by this book over the twenty years since its first publication     Theory of Collective Behaviour Neil J. Smelser, 2013-10-15 This is Volume XVII of eighteen of a series on the Sociology of Behaviour and Psychology First published in 1962 this study offers a theoretical synthesis of collective behavior     **The Theatre of the Occult Revival** E. Langan, 2014-11-19 This book explores the religious foundations political and social significance and aesthetic aspects of the theatre created by the leaders of the Occult Revival Langan shows how theatre contributed to the fragmentation of Western religious culture and how contemporary theatre plays a part in the development of alternative occult religions     **The Burning Court** John Dickson Carr, 2025-11-04 A suspicious death has the hallmarks of witchcraft in this locked room mystery by a master of the genre When Edward Stevens an editor at Herald and Son s publishing house learns of the mysterious events that befell his neighbor s rich uncle he shrugs off their seemingly supernatural circumstances He s a logical man and doesn t give much credence to claims of a ghostly figure visiting the man before his death or the witch s ladder discovered under his pillow after he passed But as suspicions of strange murder begin to creep in it becomes harder for Stevens to ignore their eerie potential His neighbor breaks into the cement sealed crypt where his uncle is buried only to learn that the corpse has vanished Witness testimony further implicates the intrusion of the spirit world into the affair of the murdered uncle and unsettling echoes of the past into the present push things even further past Stevens understanding of reality Will the events be logically explained or is there something unexplainable at work The answer lies in the pages of this atmospheric and haunting puzzler which finds Carr the master of the locked room mystery operating at the peak of his powers
