STRANGERS FROM A DIFFERENT SHORE

A History of Asian Americans

RONALD TAKAKI

Strangers From A Different Shore

Yen Le Espiritu, Yen Espiritu

Strangers From A Different Shore:

Strangers from a Different Shore ,2012-11 In an extraordinary blend of narrative history personal recollection oral testimony the author presents a sweeping history of Asian Americans He writes of the Chinese who laid tracks for the transcontinental railroad of plantation laborers in the canefields of Hawaii of picture brides marrying strangers in the hope of becoming part of the American dream He tells stories of Japanese Americans behind the barbed wire of U S internment camps during World War II Hmong refugees tragically unable to adjust to Wisconsin s alien climate culture Asian American students stigmatized by the stereotype of the model minority This is a powerful moving work that will resonate for all Americans who together make up a nation of immigrants from other shores *Strangers from a Different Shore* Ronald T. Takaki,1989 Including individuals from the first wave of immigrants in the 1840s the author tells the story of some of the Asian Americans who came to this country and the obstacles they faced here Strangers from a different shore : a history of Asian Americans Ronald T. Takaki,1989 Strangers From A Different Shore Ronald Takaki,1998 Racial Fault Lines Tomás Almaguer,1994 An excellent summary and interpretation of race relations in nineteenth century California Empirically rich and theoretically sophisticated it is the last and best word on the historical origins of the racial hierarchy that contemporary multiculturalists are struggling to overcome George Fredrickson Stanford University Sometime soon in the 21st century all of California s peoples will belong to minorities and Almaguer s pathbreaking comparative history is indispensable for understanding how and why this society became so racially diverse His study expands the borders of multicultural scholarship Ronald Takaki University of California Berkeley Evocatively written and theoretically compelling Racial Fault Lines represents a benchmark in the writing of U S history Almaguer blends sociological paradigms with rich historical narratives in his perspicacious examination of racial and class formation among nineteenth century Californians Me

Romance on a Global Stage Nicole Constable,2003-09-18 By the year 2000 more than 350 Internet agencies were plying the email order marriage trade and the business of matching up mostly Western men with women from Asia Eastern Europe and Latin America had become an example of globalization writ large This provocative work opens a window onto the complex motivations and experiences of the people behind the stereotypes and misconceptions that have exploded along with the practice of transnational courtship and marriage Combining extensive Internet ethnography and face to face fieldwork Romance on a Global Stage looks at the intimate realities of Filipinas Chinese women and U S men corresponding in hopes of finding a suitable marriage partner Through the experiences of those engaged in pen pal relationships their stories of love romance migration and long distance dating this book conveys the richness and dignity of women s and men s choices without reducing these correspondents to calculating opportunists or naive romantics Attentive to the structural cultural and personal factors that prompt women and men to seek marriage partners abroad Romance on a Global Stage questions the dichotomies so frequently drawn between structure and agency and between global and local levels of analysis *Taming*

the Elephant John F. Burns, Richard J. Orsi, 2003 The final of four volumes in the California History Sesquicentennial Series this text compiles original essays which treat the consequential role of post Gold Rush California government politics and law in the building of a dynamic state with lasting impact to the present day *Filipino American Lives* Yen Le Espiritu, Yen Espiritu, 2010-06-17 First person narratives by Filipino Americans reveal the range of their experiences before and after immigration **In Love and Struggle** Stephen M. Ward, 2016-09-12 James Boggs 1919 1993 and Grace Lee Boggs 1915 2015 were two largely unsung but critically important figures in the black freedom struggle Born and raised in Alabama James Boggs came to Detroit during the Great Migration becoming an automobile worker and a union activist Grace Lee was a Chinese American scholar who studied Hegel worked with Caribbean political theorist C L R James and moved to Detroit to work toward a new American revolution As husband and wife the couple was influential in the early stages of what would become the Black Power movement laying the intellectual foundation for racial and urban struggles during one of the most active social movement periods in recent U S history Stephen Ward details both the personal and the political dimensions of the Boggses lives highlighting the vital contributions these two figures made to black activist thinking At once a dual biography of two crucial figures and a vivid portrait of Detroit as a center of activism Ward s book restores the Boggses and the intellectual strain of black radicalism they shaped to their rightful place in postwar American history [The Making of Asian America](#) Erika Lee, 2015-09-01 A comprehensive fascinating The New York Times Book Review history of Asian Americans and their role in American life by one of the nation s preeminent scholars on the subject with a new afterword about the recent hate crimes against Asian Americans In the past fifty years Asian Americans have helped change the face of America and are now the fastest growing group in the United States But much of their long history has been forgotten In her sweeping powerful new book Erika Lee considers the rich complicated and sometimes invisible histories of Asians in the United States Huffington Post The Making of Asian America shows how generations of Asian immigrants and their American born descendants have made and remade Asian American life from sailors who came on the first trans Pacific ships in the 1500 to the Japanese Americans incarcerated during World War II Over the past fifty years a new Asian America has emerged out of community activism and the arrival of new immigrants and refugees But as Lee shows Asian Americans have continued to struggle as both despised minorities and model minorities revealing all the ways that racism has persisted in their lives and in the life of the country Published fifty years after the passage of the United States Immigration and Nationality Act of 1965 these powerful Asian American stories are inspiring and Lee herself does them justice in a book that is long overdue Los Angeles Times But more than that The Making of Asian America is an epic and eye opening Minneapolis Star Tribune new way of understanding America itself its complicated histories of race and immigration and its place in the world today
