Simon, 2019-08-27 What did it feel like to be an openly Jewish soldier fighting alongside German troops in WWII Could a Jewish nurse work safely in a field hospital operating theater under the supervision of German army doctors Several hundred members of Finland's tiny Jewish community found themselves in absurd situations like this yet not a single one was harmed by the Germans or deported to concentration or extermination camps In fact Finland was the only European country fighting on either side in WWII that lost not a single Jewish citizen to the Nazi's Final Solution *Strangers in a Stranger Land* explores the unique dilemma of Finland's Jews in the form of a meticulously researched novel Where did these immigrant Jews the last in Europe to achieve citizenship status come from What was life like from their arrival in Finland in the early nineteenth century to the time when their grandchildren perversely found themselves on the wrong side of WWII And how could young lovers plan for the future when not only their enemies but also their country's allies threatened their very existence Seven years researching Finland's National Archives plus numerous in depth interviews with surviving Finnish Jewish war veterans provide the background for a narrative exploration of love friendship and commitment but also uncertainty and terror under circumstances that were unique in the annals of The Good War The novel's protagonists Benjamin David and Rachel adopt varying survival strategies as they struggle with involvement in a brutal conflict and questions posed by their dual loyalty as Finnish citizens and Zionists committed to the creation of a Jewish homeland Tensions mount as the three young adults painfully work through a relationship love triangle and try to fulfill their commitments as both Jews and Finns while their country desperately seeks to extricate itself from an unwinnable war

The Land of Sunshine, 1899 Land of Sunshine, 1899 Includes reports etc of the Southwest Society of the Archaeological Institutes of America Strangers in the Land: Traveling Texts, Imagined Others, and Captured Souls in Jewish, Christian, and Muslim Traditions in Late Antique and Mediaeval Times, 2024-06-03 This volume explores the ways in which representatives of different monotheistic traditions experienced themselves as the other or were perceived and described as such by their contemporaries This central category which includes not only those of different religions but also converts foreigners sectarians and women is studied from various perspectives in a range of texts composed by Jewish Christian and Muslim authors during late antique and mediaeval times Conceptualizations of such others are often intrinsically related to the idea of exile another important category that is analysed in this work **Singing in a Foreign Land** Karen A. Weisman, 2018-07-19 In *Singing in a Foreign Land* Karen A Weisman examines the uneasy literary inheritance of British cultural and poetic norms by early nineteenth century Anglo Jewish authors Focusing on a range of subgenres from elegies to pastorals to psalm translations Weisman shows how the writers she studies engaged with the symbolic resources of English poetry such as the land of England itself from which they had been historically alienated Weisman looks at the self-conscious explorations of lyric form by Emma Lyon the elegies for members of the British royal family penned by Hyman

Hurwitz the ironic reflections on hybrid identities written by sisters Celia and Marion Moss and the poems of Grace Aguilar that explicitly join lyric effusion to Jewish historical concerns These poets were well versed in both Jewish texts and mainstream literary history and Weisman argues that they model an extreme example of Romantic self reflexivity they implicitly lament their own inability fully to appropriate inherited Romantic ideals about nature and transcendence even while acknowledging that those ideals are already deeply ironized by such figures as Coleridge Shelley and Wordsworth And because they do not possess a secure history binding them to the landscape of British hearth and home they recognize the need to create in their lyric poetry a stable narrative of identity within England and within the King s English even as they gesture toward the impossibility and sometimes even the undesirability of doing so Singing in a Foreign Land reveals how these Anglo Jewish poets caught between their desire to enter the English lyric tradition and their inability as Jews to share in the full religious and cultural Romantic heritage asserted a subtle cultural authority in their poems that recognized an alienation from their own expressive resources
