Strangers A Virago Modern Classic:

Strangers Antonia White, 2011-05-05 With uncompromising clarity in her careful delicate prose Antonia White looks at the pains and joys of growing up of falling in and out of love the borderlands between love and loneliness sanity and madness belief and the loss of faith First published in 1954 STRANGERS is here extended to include her autobiographical story Surprise Visit together they present some of Antonia White's finest writing

Strangers on a Train Patricia Highsmith, 2016 In this mesmerizing novel not to be recommended for the weak minded and impressionable Washington Post we encounter Guy Haines a successful architect in the midst of a divorce and Charles Anthony Bruno a conniving psychopath who manipulates a chance encounter with Guy into a sadistic plot to swap murders Some people are better off dead says Bruno like your wife and my father for instance As Bruno carries out his twisted plan Guy becomes trapped in Patricia Highsmith's perilous world where under the right circumstances anyone is capable of murder Still her most iconic novel Strangers on a Train elicits the menace that lurks in familiar surroundings Time and the unsettling forces that tremble beneath the surface of everyday life

Side-Stepping Normativity in Selected Short Stories by Sylvia Townsend Warner Rebecca K. Hahn, 2020-07-27 Side Stepping Normativity Selected Short Stories by Sylvia Townsend Warner discusses Sylvia Townsend Warner's highly innovative narrative style which does not conform to conventional modernist or postmodernist standards and explores how Warner's short stories shift to off centre positions Side Stepping Normativity further outlines the way in which Warner constantly challenges the categories we apply to classify our surroundings and analyses how Warner succeeds in creating queer that is non heteronormative as well strange and peculiar stories without explicitly opposing the so called norms of her time In this Side Stepping Normativity joins a vibrant conversation in queer studies which revolves around the question how critics can approach literary texts from a non antagonistic position Rather than focussing on the role of the critic however this thesis shows that Warner's texts have long achieved what queer theorists seek to achieve on an analytical level

The Virago Story Catherine Riley, 2018-04-23 The 1970s witnessed a renaissance in women's print culture as feminist presses and bookshops sprang up in the wake of the second wave women's movement At four decades remove from that heady era however the landscape looks dramatically different with only one press from the period still active in contemporary publishing Virago This engaging history explains how from modest beginnings Virago managed to weather epochal transformations in gender politics literary culture and the book publishing business Drawing on original interviews with many of the press's principal figures it gives a compelling account of Virago's place in recent women's history while also reflecting on the fraught relationship between activism and commerce

Virago Reprints and Modern Classics D-M Withers, 2021-05-20 Reprinting republishing and re-covering old books in new clothes is an established publishing practice How are books that have fallen out of taste and favour resituated by publishers and recognised by readers as relevant and timely This Element outlines three historical textures within British culture of the late 1970s and early 1980s History

Remembrance and Heritage that enabled Virago's reprint publishing to become a commercial and cultural success. With detailed archival case studies of the Virago Reprint Library Testament of Youth and the Virago Modern Classics it elaborates how reprints were profitable for the publisher and moved Virago's books and the Virago brand name from the periphery of culture to the centre. Throughout Virago's reprint publishing and especially with the Modern Classics the epistemic revelation that women writers were forgotten and could therefore be rediscovered was repeated again and again and made culturally productive through the marketplace.

Fiction, 1876-1983: Titles R.R. Bowker Company. Department of Bibliography, R.R. Bowker Company. Publications Systems Department, 1983

Legacies and Lifespans in Contemporary Women's Writing Gina Wisker, Leanne Bibby, Heidi Yeandle, 2023-07-03 This book examines the connections and conversations between women writers from the twentieth century and the twenty first century. The essays consider the ways in which twenty first century women writers look back and respond to their predecessors within the field of contemporary women's writing. The book looks back to the foundations of contemporary women's writing and also considers how this category may be defined in future decades. We ask how writers and readers have interpreted the contemporary a moving target and an often contentious term especially in light of feminist theory and criticism of the late twentieth century. Writing about the relationships between women's writings is an always vital ongoing political project with a rich history. These essays argue that establishing and defining the contemporary is for women writers another ongoing political project to which this collection of essays aims in part to contribute.

Exploring Osaka David M. Dunfield, 1993 A comprehensive English language guide to the city of Osaka for business travellers and tourists alike. Second only to Tokyo as a banking and trade centre of Japan, Osaka is a centre of tradition and culture as well the home of bunraku puppet theatre for example and is minutes by rail from Japan's ancient capitals of Kyoto and Nara. A variety of suggested sightseeing itineraries are included as well as recommended museums, restaurants and hotels, a list of festival dates and sources of additional information.

Strangers A Virago Modern Classic Introduction

In today's digital age, the availability of Strangers A Virago Modern Classic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Strangers A Virago Modern Classic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Strangers A Virago Modern Classic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Strangers A Virago Modern Classic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Strangers A Virago Modern Classic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Strangers A Virago Modern Classic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Strangers A Virago Modern Classic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Strangers A Virago Modern Classic books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Strangers A Virago Modern Classic books and manuals for download and embark on your journey of knowledge?
