Easter Egg and other poems of faith, hope, & love Daniel W Pannebaker, 2014-07-25 ONE OF THE most well known passages in the Bible and perhaps in all of literature is the thirteenth chapter of St Paul s first letter to the Corinthians often called the love chapter In it Paul extols the qualities of love and ends his writing by stating And these three abide faith hope and love These three virtues have guided me during my days on this earth A faith that draws me daily to admit my inadequacies and to ask for the grace to live a life worthy of His calling A hope that continuously compels me to be a stronger person a brighter light a better writer A deep and abiding love for God my family my friends I have tried to express these virtues in the poems I share with you here The majority of my poems do not rhyme Instead I like to build a rhythm in my writing by how I break each line in a verse so that your eye is constantly yearning for the next word For something different I have included two examples escape and Lovers and Other Strangers of concrete poetry a form developed in the 1950s in which the physical shape of the words on the page adds as much meaning to the poem as the words themselves And with a nod to my Bachelor s degree in Russian I also give you with its translation on the following page I recently took one of those online quizzes about what type of writer are you My results said that You write because you feel a deeper calling to the work and because you want to explore the soul element of life You re not shy of adding a moral to the story and most want to reach readers who will understand your unique view on life Writing is more than just putting words on paper for you it is a written prayer And to that I can say only Amen *How Destiny Finds Us: Unseen Forces, Quiet Signs, and How the Universe Writes Our Story* Ranjot Singh Chahal, 2025-04-07 What if your life isn t a series of random events but a tapestry being quietly woven by invisible threads In *How Destiny Finds Us* you are invited into a world where fate whispers signs speak and the universe gently guides us if only we know how to listen This soulful exploration dives deep into the quiet mechanics of destiny the subtle synchronicities the inner callings the mysterious timing of people and moments that shape who we become Through lyrical storytelling and profound insight this book unpacks the unseen forces that influence our path intuition ancestral echoes soul contracts and the recurring patterns that ask for our attention It shows how mentors strangers dreams
