Strategic Defense Initiative Bibliography And Research Guide:

Strategic Defense Initiative Robert M. Lawrence, University of Colorado, Boulder. Center for Space Law and Policy, 1987

The Strategic Defense Initiative Edward Reiss, 1992-07-23 This history of the Strategic Defense Initiative ranges across politics economics strategic studies and international relations and provides the latest research into the SDI interest groups the distribution of contracts and the politics of influence It discusses the wider contexts of Star Wars such as alliance management marketing and domestic politics and its military spin offs especially for anti satellite ASAT and space control programmes The author tests the theoretical literature on the dynamics of the arms race by using SDI as a case study and draws evidence from sources such as congressional hearings interviews the trade press restricted briefing papers and documents obtained under the US Freedom of Information Act The book follows the fortunes of strategic defence into the changed global conditions of the 1990s following the collapse of the Soviet bloc the Gulf War and President Bush s announcement of a refocused SDI the Global Protection Against Limited Strikes GPALS **Energy Abstracts for Policy**

Analysis ,1987-07 *The Strategic Defense Initiative, Progress and Challenges* Douglas C. Waller, James Bruce, Douglas M. Cook, 1987 *Militarizing Outer Space* Alexander C.T. Geppert, Daniel Brandau, Tilmann Siebeneichner, 2020-12-02

Militarizing Outer Space explores the dystopian and destructive dimensions of the Space Age and challenges conventional narratives of a bipolar Cold War rivalry Concentrating on weapons warfare and violence this provocative volume examines real and imagined endeavors of arming the skies and conquering the heavens The third and final volume in the groundbreaking European Astroculture trilogy *Militarizing Outer Space* zooms in on the interplay between security technopolitics and knowledge from the 1920s through the 1980s Often hailed as the site of heavenly utopias and otherworldly salvation outer space transformed from a promised sanctuary to a present threat where the battles of the future were to be waged Astroculture proved instrumental in fathoming forms and functions of warfare s futures past both on earth and in space The allure of dominating outer space the book shows was neither limited to the early twenty first century nor to current American space force rhetorics The Strategic Defense Initiative (SDI) Clive Williams, 1988 *A Shield in Space?*

Sanford Lakoff, Herbert F. York, 2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 **Ballistic Missile Defence and US**

National Security Policy Andrew Futter, 2013-04-12 This book examines the transformation in US thinking about the role of Ballistic Missile Defence BMD in national security policy since the end of the Cold War The evolution of the BMD debate after the Cold War has been complex complicated and punctuated As this book shows the debate and subsequent policy choices would often appear to reflect neither the particular requirements of the international system for US security at any given

time nor indeed the current capabilities of BMD technology Ballistic Missile Defence and US National Security Policy traces the evolution of policy from the zero sum debates that surrounded the Strategic Defense Initiative as Ronald Reagan left office up to the relative political consensus that exists around a limited BMD deployment in 2012 The book shows how and why policy evolved in such a complex manner during this period and explains the strategic reasoning and political pressures shaping BMD policy under each of the presidents who have held office since 1989 Ultimately this volume demonstrates how relative advancements in technology combined with growth in the perceived missile threat gradually shifted the contours and rhythm of the domestic missile defence debate in the US towards acceptance and normalisation This book will be of much interest to students of missile defence and arms control US national security policy strategic studies and international relations in general

Fundable Knowledge A.D. Van Nostrand, 2013-11-05
Knowledge is the basic output of the defense technology establishment in the United States it is what enables the development of weapon systems From this premise this volume explores the process of knowledge production in defense technology from the beginnings of the Cold War to the present time Produced through the process of research and development R D technical knowledge for defense is an economic commodity It is fundable in the sense of having future value Like other commodities in the futures market it is purchased before it is produced But unlike those other commodities this knowledge is typically produced through the joint efforts of the customer and the vendor This study highlights two polar aspects of knowledge production technology development and technology transfer It centers on the present shifting concept of defense conversion that is redefining defense technology policy The book also includes cited documents pertaining to the transactions that engage customers and vendors in the process of knowledge production The documents constitute a literature of needs and claims and they reveal two chief properties problem formulation and tactical positioning Apart from the substantive yield of these particular documents the strategy of evidence in this volume has broad implications for further study suggesting a means of analyzing knowledge production in other large social systems
