Terrence McNally Vol 1 15 Short Plays:

The Theater of Terrence McNally Peter Wolfe, 2013-10-23 This first book length work on Terrence McNally shows how his decades in the theater have refined his thoughts on subjects like growing up gay in mannish homophobic Texas Shakespeare's legacy in contemporary drama and the life giving power of forgiveness McNally believes that the ability to forgive a challenge to even the most high minded confirms our humanity because the wrongs done to us usually don't deserve to be forgiven The author shows how McNally's impeccable timing his instinct for a good laugh line and his preference for physical sensation and character over plot helps him reveal both what's important to his people and why his people are important These revelations can shake up audiences while providing a great evening at the theater Terrence McNally Terrence McNally, 1996 Contains fifteen short plays by playwright Terrence McNally Collected Plays Horton Foote, 1996 The plays in this book written by Pulitzer Prize winner Horton Foote include The Trip to Bountiful The Chase The Traveling Lady and The Roads to Home Amazon **Conversations with Terrence McNally** Raymond-Jean Frontain, 2023-01-27 Arriving in New York at the tail end of what has been termed the Golden Age of Broadway and the start of the Off Broadway theater movement Terrence McNally 1938-2020 first established himself as a dramatist of the absurd and a biting social critic He quickly recognized however that one is more likely to change people's minds by first changing their hearts and in outrageous farces like The Ritz and It's Only a Play began using humor more broadly to challenge social biases By the mid 1980s as the emerging AIDS pandemic called into question America's treatment of persons isolated by suffering and sickness he became the theater's great poet of compassion dramatizing the urgent need of human connection and the consequences when such connections do not take place *Conversations with Terrence McNally* collects nineteen interviews with the celebrated playwright In these interviews one hears McNally reflect on theater as the most collaborative of the arts the economic pressures that drive the theater industry the unique values of music and dance and the changes in American theater over McNally's fifty plus year career The winner of four competitive Tony Awards as the author of the Best Play *Love, Valour, Compassion* and *Master Class* and author of the book for the Best Musical *Kiss of the Spider Woman* and *Ragtime* McNally holds the distinction of being one of the few writers for the American theater who excelled in straight drama as well as musical comedy In addition his canon extends to opera his collaboration with composer Jake Heggie *Dead Man Walking* has proven the most successful new American opera of the last twenty five years *Collected Plays* Jane Martin, 1995 **Collected Plays, 1965-1970** Lanford Wilson, 1996 The Theater of Terrence McNally Raymond-Jean Frontain, 2019-10-04 Terrence McNally's canon of plays books for musicals and opera libretti possesses such a breadth of subject matter and diversity of dramatic modes that critics have had difficulty assessing his accomplishment This book is the first critical study to identify the four major stages of McNally's development in terms of his understanding of how theater helps the modern person trapped in a seemingly profane existence to find a gateway to the transcendent Drawing upon such

diverse religious thinkers as Martin Buber Mircea Eliade Ilia Delio and Carter Heyward Frontain analyzes the evolution of McNally s understanding of grace not as a gift bestowed by an all powerful deity upon a desperate soul but as the unwarranted and thus all the more unusual act of devotion McNally s phrase that one person performs for another By seeking to foment community most importantly at the height of the AIDS pandemic McNally s theater itself proves to be a channel of grace McNally s greatest success is shown to be the creation of a theater of empathy and compassion in contradistinction to Artaud s theater of cruelty and Albee s Americanization of the theater of the absurd **Act One '95** Marisa Smith,1996 L A WeeklyAct One A Festival of One Act Plays is well acted captivating moments in disparate lives Drama LogueCritic s Choice L A Village ViewThere is something very impressive about Act One Book DescriptionAct One is a festival comprised of three evening of one act plays in Hollywood presented by Showtime Networks Most of these plays received their world premieres at this festival About the AuthorMarisa Smith is the Owner and Publisher of Smith and Kraus a leading publisher of theater books since 1990 She has edited many books for Smith and Kraus and is the author playwright of Book Group and The Devine Comedy recently presented at Eclipse Grange theater by Signal and Noise Productions *The War Against the Kitchen Sink* John Guare,1996 **A Glass of Water** Eugène Scribe,1995
