Bonhoeffer Eric Metaxas, 2011-08-29 Who better to face the greatest evil of the 20th century than a humble man of faith As Adolf Hitler and the Nazis seduced a nation bullied a continent and attempted to exterminate the Jews of Europe a small number of dissidents and saboteurs worked to dismantle the Third Reich from the inside One of these was Dietrich Bonhoeffer a pastor and author In this New York Times bestselling biography Eric Metaxas takes both strands of Bonhoeffer s life the theologian and the spy and draws them together to tell a searing story of incredible moral courage in the face of monstrous evil In *Bonhoeffer* Metaxas presents the fullest account of Bonhoeffer s life including his heart wrenching decision to leave the safe haven of America to return to Hitler s Germany involvement in the famous Valkyrie plot and in Operation 7 the effort to smuggle Jews into neutral Switzerland lifelong dedication to sharing the tenets of his faith This edition revised and with a new introduction from the author shares the deeply moving story through previously unavailable documents including personal letters detailed journal entries and firsthand personal accounts to reveal never before seen dimensions of Bonhoeffer s life and work Praise for *Bonhoeffer* Metaxas has created a biography of uncommon power intelligent moving well researched vividly written and rich in implication for our own lives Or to put it another way Buy this book Read it Then buy another copy and give it to a person you love It s that good Archbishop Charles Chaput author *First Things* Metaxas tells Bonhoeffer s story with passion and theological sophistication *Wall Street Journal* Metaxas presents Bonhoeffer as a clear headed deeply convicted Christian who submitted to no one and nothing except God and his Word Christianity Today Metaxas has written a book that adds a new dimension to World War II a new understanding of how evil can seize the soul of a nation and a man of faith can confront it Thomas Fleming author *The New Dealers War* **The**

Cambridge Companion to Dietrich Bonhoeffer John W. de Gruchy, 1999-05-13 This Companion serves as a guide for readers wanting to explore the thought and legacy of the great German theologian Dietrich Bonhoeffer 1906-45 The book shows why Bonhoeffer remains such an attractive figure to so many people of diverse backgrounds Its chapters written by authors from differing national theological and church contexts provide a helpful introduction to and commentary on

Bonhoeffer's life work and writing and so guide the reader along the complex paths of his thought Experts set out comprehensively Bonhoeffer's political social and cultural contexts and offer biographical information which is indispensable for the understanding of his theology Major themes arising from the theology and different interpretations to it lead the reader into a dialogue with this most influential of thinkers who remains both fascinating and challenging There is a chronology a glossary and an index *Dietrich Bonhoeffer's Doctrine of "Grace": Theologian of Freedom (1906-1945)* Craig Lantz, ThD, PhD, 2025-10-15 In 1937 on the threshold of Nazi Germany's war on the world Dietrich Bonhoeffer wrote what turned out to be one of the most influential books of the century *The Cost of Discipleship* In it he challenged the faulty faith and compromises of German Christians famously writing When Christ calls a man he bids him come and die Now eighty two years after the book was first published Craig Lantz writes on Dietrich Bonhoeffer's doctrine of Grace Lantz examines Bonhoeffer's doctrine of grace in his academic works books and life Bonhoeffer complained that the Nazi German Church had proclaimed a cheap grace The Church in 2019 is not much different Bonhoeffer spoke as a prophet in his time and prophetically denounced the Church for preaching cheap grace If Bonhoeffer were alive today he would say the same thing about the condition of the Church in 2019 Grace is a foundational doctrine for Christians yet it is one of the most misunderstood Bonhoeffer watched as many used the doctrine of grace as an excuse to do whatever they wanted and in response he wrote his classic work on what it truly means to follow Jesus We cheapen grace he declared when we use it to compromise our behavior or to lower the standards of God's Word In this examination of Bonhoeffer's doctrine of grace Lantz explains what Bonhoeffer meant when he taught that grace is free but will cost us everything Therefore grace is not cheap

Flourishing in Tensions Michael Brautigam, 2022-09-09 Following Jesus Christ presents unique challenges to disciples today In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus's radical call into discipleship This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest invites us to cross bearing and as King demands us to follow him Jesus's call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ's radical call into discipleship today **Redeeming the Broken Body** Gabriel A. Santos, 2009-01-01 This book examines how repertoires of speech and action that are often considered to be mutually exclusive those of church and state clash or unite during the postdisaster period as local communities and cities struggle to establish a stable collective identity Based on an analysis of forty in depth interviews with disaster response

participants and over 325 print media sources this study explores first the extent to which ministers and citizens challenge statist narratives in order to publicly relay theological views second the cultural processes by which local places are nationalized and theologized and third the ecclesiological convictions necessary to peaceably advance the work of Christ's body after disasters Who Am I? Bernd Wannenwetsch, 2009-07-21 A unique look at Bonhoeffer's poetry written during his prison years facilitating a fascinating conversation between biography and theology **The Cross of Reality** H. Gaylon Barker, 2015-09-01 The Cross of Reality investigates Bonhoeffer's interpretation and use of Luther's theology in shaping his Christology In this essay H Gaylon Barker uses the theology of the cross as a key to understanding the characteristic elements that make up Bonhoeffer's theology he also shows how Bonhoeffer's conversation with his teachers and contemporaries Karl Holl and Karl Barth in particular develops Bonhoeffer's thought was indeed radical and revolutionary but it was so precisely because of its adherence to the classical traditions of the church especially Luther's theologia crucis

Ontology and Ethics Adam C. Clark, Michael Mawson, 2013-08-27 Recent scholarship in a number of disciplines has explored the relationship between ontology and ethics The essays in this collection indicate what the German theologian Dietrich Bonhoeffer 1906-1945 has to contribute to this discussion By engaging the breadth of his academic and pastoral writings these essays retrieve Bonhoeffer's theology for a contemporary audience They do so by critically clarifying and extending key concepts developed by Bonhoeffer across his corpus and in dialogue with Hegel Heidegger Dilthey Barth and others They also create dialogues between Bonhoeffer and more recent figures like Levinas Agamben Foucault and Lacoste Finally they take up pressing contemporary ethical issues such as globalization managerialism and racism **Bonhoeffer, Christ and Culture** Keith L. Johnson, Timothy Larsen, 2013-03-08 The 2012 Wheaton Theology Conference was convened around the formidable legacy of Lutheran pastor theologian and anti-Nazi resistant Dietrich Bonhoeffer This collection focusing on the man's views of Christ the church and culture contributes to a recent awakening of interest in Bonhoeffer among evangelicals
