Texas Guns:

Texas Rifles Elmer Kelton, 1998-01-15 The new Confederacy facing into the Union cannon had too much on its hands to send troops to the Texas frontier to hold back the Indians Instead it authorized the State of Texas to raise its own troops Many kinds of men drifted into the Texas Mounted Rifles Some thought it might be safer than fighting in far off Virginia Many were merely young men a thirst for adventure Some were settlers who saw this as the best way to protect their families and homes against the murderous thrusts of the Comanche And some were men who still loved the Union who had lived too long under that gallant flag to turn their guns against it now Such a man was Scout Sam Houston Cloud **The Texas Gun Trade** Chris Hirsch, 2008 This new book from Mowbray Publishers is the result of the author s almost 20 years of research It attempts to shed light on the extent of the gun trade in Texas during its early times Though the military connection is touched upon in this book the civilian gun trade is the main objective Many of the old established gun dealers in Texas became quite successful while others came and went Each major city seemed to have one gun dealer that stood above all others Included in this extensive directory of over 1 200 dealers and makers are the Dance Brothers of Anderson the Erichson family of Houston E A Worden of Dallas Charles Hummel of San Antonio J C Petmecky of Austin A J Anderson of Forth Worth and countless other dealers and tradesmen many of whom could have books dedicated to them alone More than 1 200 listings and over 700 black white photographs 8 5x11 and printed on heavy coated paper **Texas Rifles** Elmer Kelton, 1998-01-15 The new Confederacy facing into the Union cannon had too much on its hands to send troops to the Texas frontier to hold back the Indians Instead it authorized the State of Texas to raise its own troops Many kinds of men drifted into the Texas Mounted Rifles Some thought it might be safer than fighting in far off Virginia Many were merely young men a thirst for adventure Some were settlers who saw this as the best way to protect their families and homes against the murderous thrusts of the Comanche And some were men who still loved the Union who had lived too long under that gallant flag to turn their guns against it now Such a man was Scout Sam Houston Cloud At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Up in Arms: Gun Imaginaries in Texas*, 2022-08-15 Up in Arms provides an illustrative and timely window onto the ways in which guns shape people s lives and social relations in Texas With a long history of myth lore and imaginaries attached to gun carrying the Lone Star State exemplifies how various groups of people at different historical moments make sense of gun culture in light of legislation political agendas and community building Beyond gun rights restrictions or the actual functions of firearms the book demonstrates how the gun question itself becomes loaded with symbolic firepower making or breaking assumptions about identities behavior and belief systems Contributors include Benita Heiskanen Albion M Butters Pekka M Kolehmainen Laura Hernandez Ehrisman Lotta K h k nen Mila Sepp l and Juha A Vuori **Texas Rifles and Massacre at Goliad** Elmer Kelton, 2013-02-26 Texas rifles As the Confederate States confront the hardships of the Civil War the State of Texas is forced to raise its own troops to hold back

Boss,2019-01-10 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety *As Texas Goes...* Gail Collins,2013-03-04 Gail Collins is

the funniest serious political commentator in America Reading As Texas Goes is pure pleasure from page one Rachel Maddow A Kirkus Reviews Best Book of the Year Nonfiction As Texas Goes provides a trenchant yet often hilarious look into American politics and the disproportional influence of Texas which has become the model for not just the Tea Party but also the Republican Party Now with an expanded introduction and a new concluding chapter that will assess the influence of the Texas way of thinking on the 2012 election Collins shows how the presidential race devolved into a clash between the so called empty places and the crowded places that became a central theme in her book The expanded edition will also feature more examples of the Texas style such as Governor Rick Perry s nearsighted refusal to accept federal Medicaid funding as well as the proposed ban on teaching critical thinking in the classroom As Texas Goes will prove to be even more relevant to American politics by the dawn of a new political era in January 2013
