The Laugh Journal Bud Delaney,1974 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 Children's Books In Print 1979-1980 ,1979 **Books in Print** ,1979 **The Gentleman's Magazine** ,1895 The Age of Irreverence Christopher Rea,2025-02-25 The Age of Irreverence tells the story of why China s entry into the modern age was not just traumatic but uproarious As the Qing dynasty slumped toward extinction prominent writers compiled jokes into collections they called histories of laughter In the first years of the Republic novelists essayists and illustrators alike used humorous allegories to make veiled critiques of the new government But again and again political and cultural discussion erupted into invective as critics gleefully jeered and derided rivals in public Farceurs drew followings in the popular press promoting a culture of practical joking and buffoonery Eventually these various expressions of hilarity proved so offensive to high brow writers that they launched a concerted campaign to transform the tone of public discourse hoping to displace the old forms of mirth with a new one they called youmo humor Christopher Rea argues that this period from the 1890s to the 1930s transformed how Chinese people thought and talked about what is funny Focusing on five cultural expressions of laughter jokes play mockery farce and humor he reveals the textures of comedy that were a part of everyday life during modern China s first age of irreverence This new history of laughter not only offers an unprecedented and up close look at a neglected facet of Chinese cultural modernity but also reveals its lasting legacy in the Chinese language of the comic today and its implications for our understanding of humor as a part of human culture Subject Guide to Children's Books in Print ,1979 **American Magazine** ,1927 **Editor & Publisher** ,1925 The fourth estate *The Washington Newspaper* ,1923
