The Law School Global Issues Local Questions:

The Law School - Global Issues, Local Questions Fiona Cownie, 2019-01-04 First published in 1999 this international collection of essays on legal education addresses the following issues The Law School and the University Research into legal education has often been regarded as a marginal activity as compared with research into substantive areas of law However recent years have seen a growing interest in discussions about the purpose of the university law school and the ways in which law is taught within it Are we educating professional lawyers or legal scholars What do we really mean when we say we want to offer a liberal education in the law What effect are the current changes in higher education funding and policy having on law schools and what takes place within them The international group of scholars who have contributed to this collection come from very different jurisdictions but they have written about topics which while they have local resonances are of concern globally Global Issues Local Questions addresses matters which concern all law teachers whatever their field of substantive legal expertise *The Law School* Fiona Cownie, 2018 *Conversations, Choices and Chances* Anthony Bradney, 2003-04-07 Most academics in university law schools would claim to offer a liberal education Few have thought very much about what a liberal education in law means Basing itself on a detailed examination of the theory of liberal education this book looks at what the liberal university law school should be doing in terms of its teaching research and administration

Women, Their Lives, and the Law Victoria Barnes, Nora Honkala, Sally Wheeler, 2023-12-14 This collection of essays honours Rosemary Auchmuty Professor of Law at the University of Reading UK She has fostered the study of women's academic careers and more politically advanced progress on gender and equality issues including same sex marriage and property law Her research promotes the case of feminist legal history as a way of revealing the place of women and challenging dominant historical narratives that cast them aside Just as Rosemary's work does the book seeks to end the marginalisation and exclusion of women in the legal world by including them The book begins fittingly with a discussion of Miss Bebb the woman whose biography Auchmuty deployed to push feminist legal history into the mainstream It turns then to a discussion of women known and unknown and their struggles within the legal profession offering within those chapters a critical appraisal of the role of history and biography as a methodology From there it moves to consider feminist perspectives and critiques of the dominant structures of private law This is followed by chapters that explore those who educate the legal profession within the academy The chapters and the collection as a whole examine areas of law that have a deep significance for women's lives *Globalisation and the Western Legal Tradition* David B. Goldman, 2008-02-07 What can globalisation teach us about law in the Western tradition This important new work seeks to explore that question by analysing key ideas and events in the Western legal tradition including the Papal Revolution the Protestant Reformations and the Enlightenment Addressing the role of law morality and politics it looks at the creation of orders which offer the possibility for global harmony in particular the United Nations and the European Union It also considers the unification of international

commercial laws in the attempt to understand Western law in a time of accelerating cultural interconnections The title will appeal to scholars of legal history and globalisation as well as students of jurisprudence and all those trying to understand globalisation and the Western dynamic of law and authority

China's Legal Reform Keyuan Zou, 2006 China's entry into the World Trade Organization WTO has had a tremendous impact on the development and reform of China's legal system This book focuses on the developments of China's legal system as well as its reform in the context of globalization It covers various topics including constitutional changes law based administration and more

At the Edge of Law Andrew Francis, 2011 At the Edge of Law presents an analysis of the changing nature of contemporary legal professionalism It employs a methodological approach and presents a series of case studies built on original empirical research It focuses on those operating at the margins of legal professionalism in England and Wales and also includes comparative material on the US and Canada

The Global Evolution of Clinical Legal Education Richard J. Wilson, 2018 Clinical legal education has revolutionized legal education from its deepest origins in the nineteenth century to its now global reach

Readings in Law and Popular Culture Steven Greenfield, Guy Osborn, 2007-05-07 Readings in Law and Popular Culture is the first book to bring together high quality research with an emphasis on context from key researchers working at the cutting edge of both law and cultural disciplines Fascinating and varied the volume crosses many boundaries dealing with areas as diverse as football based computer games Buffy the Vampire Slayer digital sampling in the music industry the films of Sidney Lumet football hooliganism and Enid Blyton These topics are linked together through the key thread of the role of or the absence of law therefore providing a snapshot of significant work in the burgeoning field of law and popular culture Including important theoretical and truly innovative relevant material this contemporary text will enliven and inform a legal audience and will also appeal to a much broader readership of people interested in this highly topical area

The Public Understanding of Law Peter Smith, 2025-05-14 This insightful book discusses how law schools engage with the public to develop their understanding of the law It shows that effective engagement necessitates recognising the people involved as a shared community working towards both individual and collective goals
