

THE LAWS OF DETACHMENT

1 AWARENESS

Detachment doesn't mean forgetting or giving up. It's freeing your energy from being drained by obsessively focusing on the outcome. Desperation energy clouds your clarity & energy from being in receiving mode.

2 MAKING ROOM

Surrender your plans to the Universe. Give the universe space to work. Sometimes what you want isn't what you need. Try your best, but also make room for what is in your highest and best interest.

3 LETTING GO

What we desperately cling to or chase after, is repelled from us because we come with the main energy and intention of "lack", "scarcity" rooted in "fear". Fear is a low vibrational energy that slows everything down.

4 STAY GROUNDED

Stay grounded in your why. Place your energy on the feeling & expecting the highest good to manifest before the outcome. This keeps your energy grounded in confident energy versus needy energy.
