The Left The Right And The Jews:

The Left, the Right and the Jews W.D. Rubinstein, 2015-10-16 First published in 1982 this book examines anti semitism in the Western world The author concludes that fringe neo Nazi groups notwithstanding significant anti semitism is largely a left wing rather than a right wing phenomenon He finds that Jews have reacted to this change in their situation and in attitudes towards them by making a shift to the right in most Western countries with the major exception of the United States Considering the contribution of Jews to socialist thought from Marx onwards and the equally lengthy history of right wing anti semitism this shift is one of the most significant in Jewish history This movement to the right is discussed in separate chapters as is Soviet anti semitism and the status of the State of Israel Examined in depth are the implications of this shift in attitude for Jewish philosophy and self identity

The Left's Jewish Problem Dave Rich, 2016-09-06 There is a sickness at the heart of left wing British politics and though predominantly below the surface it is silently spreading becoming ever more malignant With three separate inquiries into anti Semitism in the Labour Party in the first six months of 2016 alone it seems hard to believe that until the 1980s the British left was broadly pro Israel And while the election of Jeremy Corbyn may have thrown a harsher spotlight on the crisis it is by no means a recent phenomenon The widening gulf between British Jews and the anti Israel left born out of antiapartheid campaigns and now allying itself with Islamist extremists who demand Israel s destruction did not happen overnight or by chance political activists made it happen This book reveals who they were why they chose Palestine and how they sold their cause to the left Based on new academic research into the origins of this phenomenon combined with the author s daily work observing political extremism contemporary hostility to Israel and anti Semitism this book brings new insight to the left s increasingly controversial Jewish problem

Jews and Leftist Politics Jack Jacobs, 2017-03-24 This volume considers the political implications of Judaism the relationships of leftists and Jews contemporary anti Zionism and the importance of gender

War Against the Jews Alan Dershowitz, 2023-12-12 In War Against the Jews How to End Hamas Barbarism Alan Dershowitz 1 New York Times bestselling author and one of America s most respected legal scholars explains why the horrific attack of Oct 7 and Israel s just response changes everything It has changed the relationship between Israel and the United States especially with regard to the possibility of direct American intervention It has required Israel to consider its nuclear option as a last resort to assure its survival It has revealed dangerous attitudes among America s future leaders on today s college campuses toward Israel s possible destruction It has exposed media biases that have been exacerbated with Israel s vulnerabilities It has united Israelis and Jews around the world as never before despite the deep divisions among them politically religiously and ideologically Nothing will ever be the same It has clouded the future of peace between Israel and its Arab and Muslim neighbors and has diminished the proposals for a peaceful resolution of the Israel Palestinian conflict It has made predictions about the future of the region nearly impossible except that imposing instability is inevitable In this short book Dershowitz

analyzes these transforming events and suggests how to move forward *Jews and Australian Politics* Geoffrey Brahm Levey, 2004-12-13 Explains the contemporary politics of Australian Jewry This book situates the politics of Australian Jews through comparisons with general patterns in Australian politics the politics of other minorities in Australia and the politics of other Western Jewish communities It contains an appendix of Jewish Parliamentarians **Jews in American Politics** Sandy L. Maisel, 2001-09-04 Brings together a complete picture of the past present and future of Jewish political participation *The Young Judaeans*, 1924 *The Oxford Handbook of Israeli Politics and Society* Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country's history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments **Jews in American Politics** Louis Sandy Maisel, Ira N. Forman, Donald Altschiller, Charles Walker Bassett, 2004 Joseph Lieberman's Vice Presidential nomination and Presidential candidacy are neither the first nor last words on signal Jewish achievements in American politics Jews have played an important role in American government since the early 1800s at least and in view of the 2004 election there is no political office outside the reach of Jewish American citizens For the first time *Jews in American Politics Essays* brings together a complete picture of the past present and future of Jewish political participation Perfect for students and scholars alike this monumental work includes thoughtful and original chapters by leading journalists scholars and practitioners Topics range from Jewish leadership and identity to Jews in Congress on the Supreme Court and in presidential administrations and on to Jewish influence in the media the lobbies and in other arenas in which American government operates powerfully if informally In addition to the thematically unified essays *Jews in American Politics Essays* concludes with an invaluable roster of Jews in key governmental positions from Ambassadorships and Cabinet posts to federal judges state governors and mayors of major cities Both analytical and anecdotal the essays in *Jews in American Politics* offer deep insight into serious questions about the dilemmas that Jews in public service face as well as humorous sidelights and authoritative reference materials never before collected in one source The story of the rich tradition of Jewish participation in American political life provides an indispensable resource for any serious follower of American politics especially in election year 2004 **Encyclopedia of American Jewish History** Stephen H. Norwood, Eunice G. Pollack, 2007-08-28 Written by

the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America's Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world's leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews' relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews' participation in America's wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public
