Filmography Bryan Senn, 2017-02-06 From the horrific to the heroic cinematic werewolves are metaphors for our savage nature symbolizing the secret bestial side of humanity that hides beneath our civilized veneer Examining acknowledged classics like The Wolf Man 1941 and The Howling 1981 as well as overlooked gems like Dog Soldiers 2011 this comprehensive filmography covers the highs and lows of the genre Information is provided on production cast and filmmakers along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure **The Curse of the Werewolf** Bourgault du Coudray Chantal, 2006-08-25 Half man half myth the werewolf has over the years infiltrated popular culture in many strange and varied shapes from Gothic horror to the body horror films of the 1980s and today's graphic novels Yet despite enormous critical interest in myths and in monsters from vampires to cyborgs the figure of the werewolf has been strangely overlooked Embodying our primal fears of anguished masculinity of the beast within the werewolf argues Bourgault du Coudray has revealed in its various lupine guises radically shifting attitudes to the human psyche Tracing the werewolf's use by anthropologists and criminologists and shifting

interpretations of the figure from the scientific to the mythological and psychological Bourgault du Coudray also sees the werewolf in Freud's wolf man case and the sinister use of wolf imagery in Nazism The Curse of the Werewolf looks finally at the werewolf's revival in contemporary fantasy finding in this supposedly conservative genre a fascinating new model of the human's relationship to nature It is a required reading for students of fantasy myth and monsters No self-respecting werewolf should be without it

Wolf's Woman Lisa Kessler, 2023-07-24 Wyatt Rivers has always had a big heart when it comes to his pack but love is a little more complicated for a werewolf Now that his new Alpha has found his one true mate he's pushing the rest of the pack to do the same Wyatt has touched plenty of women skin to skin over the years and his wolf has remained silent He didn't expect that to change the night he visited the Alibi Bar and hooked up with a leggy brunette Ashleigh Meritt has been burned by love and men for the last time but she can't bring herself to swear off them completely A one-night stand with a tall sexy man in a Boston club couldn't hurt No strings attached She didn't even tell him her real name But when this third-grade teacher from Salem brings her class on a field trip to the Munro Family Farms she comes face to face with the hot guy who rocked her world After kicking himself for allowing his mate to slip through his fingers fate delivers her right to his doorstep but the Coven of Shadows is cooking up some deadly revenge magic and Wyatt will do anything to keep his mate safe even if it means rejecting the only woman he will ever love

The Book of Beasts Andrew Screen, 2023-10-05 Nigel Kneale is perhaps best known for his pioneering work in television fantasy notably the creation of Quatermass and his landmark adaptation of George Orwell's 1984 for the BBC This book is the first in-depth study of another arguably lesser-known but equally as important Kneale creation the 1976 Folk Horror anthology television series *Beasts* Each of the six episodes of *Beasts* was a standalone supernatural drama exploring themes and ideas prevalent throughout Kneale's work all within the confines of a lowly British television budget From pilot episode *Murrain* to cult favourite *Baby Beasts* charted an uncanny British landscape where the ghost of a dolphin haunts an aquarium and a supermarket is plagued by a mysterious animalistic presence In researching and writing this book author Andrew Screen was given rare access to Kneale's original scripts and production paperwork and provides an exclusive account of Kneale's trials and tribulations in developing the series There are also interviews with members of cast and crew a discussion of episode treatments that were prepared but never realised and the reasons why Kneale abandoned these at an early stage Moreover each storyline is contextualised with real-life developments and events exploring the mythological and cultural inspirations that place the series within its immediate historical framework Written with full permission from the Kneale estate **THE BOOK OF BEASTS** is a comprehensive overview of a cult television series and its enduring impact on viewers today With a foreword by Johnny Mains
