Letters to My Son Brittany McClain-Clay, 2020-06-26 100 pages for Mom to write letters to her Son Sons When you write a letter to your child it can be magical It communicates love pride and commitment beyond the power of everyday spoken words It s a fun idea to make writing letters to your kids an annual event either on their birthdays or around the holidays To your child it will be more than just another family tradition Each letter is a tangible expression of your love and pride combined with the hopes and dreams you have for their future They may even pick one out of a keepsake box in 20 years and be reminded of just how special they are to you Your letter can offer encouragement through eight simple words that every child should hear Jennifer Wolf *Letters to My Children* Russell Bittner, 2012-06-30 What follows part dialogue part monologue mostly rumination is a series of letters I wrote to my two children Christopher Russell and Alexandra Sophia over the course of 24 years The first letter is one I wrote to my son on his day of birth November 25 1991 the last is one I wrote to my daughter leading up to her twenty first birthday on June 8 2015 Some letters are missing from this publication they re either lost to other computers other hard drives other floppy discs or are still in storage in the Bronx I may or may not be able to recover them ever again What then is and was from its genesis the rationale for these letters Quite simply a desire to recall as accurately as possible the physical moral and cognitive development of my two children year by year and blow by blow as they grew from infancy to toddlerhood and from childhood to adolescence But why So that if they ever needed to they could one day look back and understand a large part of what made and makes them who they are as adults in all of their scintillating functionality or dysfunctionality This publication may or may not prove to be a worthy addition or at least a side note to the ever raging debate of Nature vs Nurture I m not a psychologist I m a writer with a gift or at least a head for fiction David Mamet State and Main to boot And so I must warn you caveat lector That said these letters are the verbal foundation of a truth I aspired to establish early on with my children What I conveyed often enough orally to my son from the

moment he could understand English namely You don't lie to me I won't lie to you was never easy for either of us to embrace And in some sense at least I made my part of the bargain easier by concealing lots of difficult truths until his eighteenth birthday in 2009 when I suspected he'd be better able to handle those truths in written form He was And did On that basis and once I'd returned to Brooklyn just short of a month ago I decided to risk the same with Alex and consequently gave her all of the letters I'd addressed to her and that I could still access But why should anyone have any interest whatsoever in an otherwise private correspondence between a father and his children I can't say that anyone will That said no one has ever written a series of letters to his or her children over the course of nineteen years if one includes those children's day of birth At least not that I know of We all think thoughts forge memories bond then break bonds grow close then grow apart But too much of what occurs to a child gets lost in the shuffle or worse gets suppressed only to raise its arrogant head in some other form's in adulthood The events that first kept us together as a family unit but then blew us apart were nothing I could've anticipated in my wildest dreams or nightmares The strategies my children and I have employed to keep us close over the years are ones the children of estranged parents will hardly consider novel But the words my two children said and sometimes wrote in e-mails to me are some of the kindest most considerate and yes most loving I've ever heard out of the mouth of any child In that sense this collection is a gift to all parents for whom it's not already too late While not everyone has the free time I've had over the years not to mention a facility with writing candidly about family matters for future reference I don't know that such a facility is really all that important I rather think it's the gesture the consistency the promise made and kept The royalties should there be any are entirely theirs as are the responsibilities that come with publishing a book I will henceforth let them speak for themselves As of this Father's Day in 2015 just as on other Father's Days in years past I couldn't be happier with either of them But that's a father speaking Caveat emptor *A Fatherly Letter to My Son Johannes* Matthias Claudius, Elisabeth Hyder, Daniel Gehnrich, 2006 **A Letter to My Son** Keyia Banner, 2020-01-24 I'm writing this book to remind myself and other mothers that losing a child is the hardest thing I've ever had to deal with I'm dedicating this book to his daughter Shamiya and every mother that is going to the suffering I'm going through I love you Dymere and your always in my heart This is a letter to my son

As recognized, adventure as competently as experience practically lesson, amusement, as competently as deal can be gotten by just checking out a ebook **The Letter To My Son** afterward it is not directly done, you could assume even more roughly speaking this life, on the subject of the world.
