Charles Dickens 1812 1870 was an English writer and social critic He created some of the world s best known fictional characters and is regarded as the greatest novelist of the Victorian era Among his greatest works are *A Christmas Carol* *Oliver Twist* *Great Expectations* and *A Tale of Two Cities* **The Life and Times of Wm** Charles Lindsey, 1862 *The Life and Times of Charles II*. Christopher Falkus, 1972 The Merry Monarch was the most popular of kings in his lifetime and has remained so to posterity This biography seeks to show why and indicates that the secret lay not so much in the positive achievements of his reign as in the essentially human qualities which set him apart from other sovereigns But Charles of course was more than a witty tolerant urbane man he was a ruler of three kingdoms England Scotland and Ireland who reigned at a time of crisis in the affairs of his war torn lands In youth he knew the bitterness of defeat and exile In manhood he had to maintain ceaseless opposition to contending factions The result was a lifetime crowded with struggle and conflict in which against all odds he triumphed to preside over a society whose creative achievements in all fields science literature music and art are almost unparalleled in English history *The Life and Theatrical Times of Charles Kean, F.S.A.* John William Cole, 1859 **The Court and times of Charles I, illustrated by authentic and confidential letters, from various public and private collections; including memoirs of the mission in England of the Capuchin Friars in the service of Queen Henr.
